Student Tuition Easy Payment Plan

BBCC is helping make college tuition easier to pay. The Student Tuition Easy Payment Plan (STEPP) allows students to pay tuition on a schedule that makes budgeting the costs a snap.

Once enrolled in classes, students can pay tuition and fees on three easy installments over the academic quarter rather than one large payment at the start of the quarter. Students must pay a \$35 charge per academic year to participate in STEPP. Once an account is established, students can budget their tuition payment the same as rent, car and insurance payments.

Using this installment plan, students can use cash, a personal check, VISA or Master Card to pay.

STEPP is not available during summer quarter and cannot be used for special course fees or books.

Students can enroll in STEPP anytime, even after the academic quarter has started. Information is available from the Cashier's Office. The Cashier's Office is open from 7:30 a.m. to 5:00 p.m. Monday through Thursday and from 7:30 a.m. to 2:30 p.m. Friday, or call 509.793.2024.
