

2008-2009 Verification Worksheet

Federal Student Aid Programs

DEPENDENT

Your application was selected for review by the Federal government in a process called "Verification." In this process, BBCC will be comparing information from your application with signed copies of your and your parent(s) 2007 Federal tax forms, W-2 forms or other financial documents. The law says we have the right to ask for this information before awarding Federal aid. If there are differences between your application information and your financial documents, BBCC will send corrections electronically to have your information reprocessed.
