

2008-2009 Verification Worksheet

Federal Student Aid Programs

INDEPENDENT

Your application was selected for review by the federal government in a process called "Verification." In this process, BBCC will be comparing information from your FAFSA application with copies of your federal tax forms or other financial documents. The law says we have the right to ask for this information before awarding federal aid under the financial aid program rules CFR Title 34, Part 668. Try to complete verification as soon as possible, so your financial aid won't be delayed. If there are differences between your application information and your financial documents, BBCC will send corrections electronically for reprocessing.
