Big Bend Community College Nursing Program Verification of Prior Healthcare Employment for 2025 Cohort Application

Applicants to Big Bend Community College's Nursing Program who have current or recent experience in the healthcare field providing direct patient care **may qualify for additional points** applied to their ranked score. Experience must involve direct patient care and occur within the last three years. Training hours do not apply.

Verification of experience may be provided by a direct supervisor or manager who can attest that the applicant has at least 100 hours of direct patient care experience. Verification of experience may also be provided by a representative of Human Resources.
