

Alternative Placement Options

Potential students need placement scores for Math and English to ensure better success in those subjects unless you have prior learning.

Clicking on items will link to more details

Prior Learning

If you have college credits in Math or English, [click here](#).

If you have college credits in Math or English through AP, [click here](#).

If you have college credits in Math or English through CLEP, [click here](#).

or

Placement Options

If you have qualifying SAT or ACT scores, [click here](#).

If you have qualifying Smarter Balanced Assessment scores, [click here](#).

If you have placement scores from a different college, [click here](#).

Click on the high school if you have qualifying Math or English grades from any of the following:

[Ephrata](#) | [Moses Lake](#) | [Othello](#) | [Quincy](#)

If your situation doesn't fit any of these, you need to take Big Bend's placement exam.
