The Division Chair must submit a memo to the supervising dean and the Vice-President of Learning & Student Success outlining the distribution of duties between the Division Chair and the Assistant Division Chair before a stipend will be issued. Assistant Division Chair is acting Division Chair in all designated duties. Each division will still only have one vote at Instructional Council, even with the election of an Assistant Division chair. While the individual is serving as Division Chair, overload teaching will be scheduled in such a way as to not interfere with normal Division Chair duties. To provide the opportunity for faculty input for administrative functions, the Division Chair will:

- a. Represent the division and division members on the following committees:
 1. Instructional Council
 2. Academic Master Planning Committee
 3. Facilities Planning Committee
 4. Budget Review Task Force
 5. Screening committees for new full-time faculty in division. Division Chairs with multiple concurrent full-time faculty recruitments may request the Faculty Association President assign another tenured faculty member to serve in place of the Division Chair.

Attendance shall be required for the number of days indicated on the Negotiated Calendar for the current year as days scheduled for advising, teaching, testing and in-service. Attendance may be required on some recordkeeping days as per the definition in Article II.

It is expected that the scope of responsibilities requires a minimum of thirty hours on campus or instruction-related activities, or for activities such as scheduled off-campus college-related meetings or conferences, recruiting activities, or instruction/supervision during clinical or externship courses.

Every attempt will be made to meet Monday through Thursday. If committee members cannot agree to meet Monday through Thursday, the responsibility for making the decision to meet on Friday falls on the administrative member of the committee.

Faculty will be required to attend an in-service activity for professional development no more than once a quarter, as per the negotiated calendar. With prior approval by the Vice President of Learning & Student Success, a faculty member may substitute a special activity for an in-service activity.

All reasonable attempts will be made to include such training on regularly scheduled in-service days. Attendance is required at trainings held during in-service days unless the faculty have received the training previously. If a faculty member misses trainings held on regularly scheduled in-service days, the time and day of subsequent make-up training sessions is determined by the College. Required trainings held during concurrent sessions during in-service will be clearly communicated to affected faculty. Faculty may be required to complete training through face-to-face or online sessions. Full-Time faculty seeking an overload contract will not have bumping rights over an annually-contracted Senior Associate Faculty member.

Article XI: Seniority

A. Seniority Units and Determinations of Seniority

1. **Assignment to Seniority Units.** Academic employees with teaching responsibilities will be assigned to a seniority unit by the appropriate Vice President after consultation with the appropriate Dean and/or Division Chair. The evaluation is to be based on the majority of the full time teaching assignment for the previous three (3) instructional quarters. Academic employees on leave will be assigned on the basis of the full time teaching assignment of the most previous three (3) instructional quarters. Summer quarter is not used as a computing base. Counselors and librarians are automatically assigned to their respective units. Counselors and librarians are defined for seniority unit placement although they report to the supervisors identified in Article IX. Division placement is not a factor in determining an academic employee's seniority.
2. **Appeal of Unit Assignment.** Academic employees who feel they have been incorrectly placed in a seniority unit shall have the right to appeal to the Vice President of Learning & Student Success. Written notice of an appeal must be received by the Vice President within one calendar month following the receipt of notification of the employee's assignment to a seniority unit. A response to the academic employee shall be provided within seven (7) working days after the appeal has been filed. In the event a satisfactory resolution is not reached, the academic employee may appeal to the President. This appeal, including the basis for the appeal, must be in writing and filed within five (5) working days after receipt of the Vice President's response. Within five (5) working days following receipt of the employee's written appeal, the President's written decision will be provided to the academic employee and the Vice President. The President's written decision is final. The academic employee reserves the right to Faculty Association representation during the entire appeal process.
3. **Notification of Seniority Unit Assignment.** Each academic employee shall be assigned to a seniority unit upon initial hire. Distribution of current seniority unit assignments shall be made in writing by the appropriate Vice President or their designee at the Fall In-service.

4. **Establishing Seniority Unit Ranking.** The placement of each academic employee in a seniority unit shall be determined by:
- a. The date the employee signed the first full-time professional contract with Community College District No. 18. A period of professional leave status shall receive full allowance for the years of full time service. An employee who has been granted a leave of absence without pay will maintain all accrued seniority. The employee can request to have their seniority continue to accrue while on leave.
 - b. In the event the full-time employment contracts of individual academic employees bear the same signing date, seniority shall be determined by:
 1. First date of the signature of a letter of intent by the academic employee to accept employment; or
 2. First date of application for employment.

Article XII: Instructor Loads

A. Full-Time Faculty

1. The actual credit-student load carried by an instructor varies, depending on: the discipline which is taught; the nature of the course; the number of students in the class; and the teaching requirements at Big Bend Community College.
2. In defining teaching loads the College utilizes traditional concepts of what constitutes a full-time teaching load, averages, and other data experienced in community colleges in the state system, suggested load assignments from various professional associations, and studies made by other community colleges. All these factors are mutually considered by the administration and faculty in resolving teaching load issues. In all cases, student need will dictate scheduling and load requirements.
3. Academic employees hired before June 30, 1999 will be assigned classes under the Article XIV A.3 provisions of the 1998-99 Negotiated Agreement as found in Appendix A.
4. A normal full-time teaching load may be made up of a combination of day and alternative classes each quarter during the academic year (Fall, Winter, and Spring quarters). Alternative classes are considered to be courses taught fully online, in the evening, on Fridays or Saturdays, or in a hybrid format. The schedule will be determined by the supervising dean or the VP of Learning & Student Success, in consultation with the academic

employee. eLearning courses may be part of an Academic Employee's full-time teaching load or an overload assignment.

5. To ensure a sufficient presence on campus, unless authorized by the VP of Learning & Student Success, full-time Academic Employees shall teach a minimum of one-third (1/3) of their teaching load per quarter as traditional (face-to-face) classes.
6. Faculty hired after July 1, 2016 may be required by the college to teach a course in an alternative format if it meets the needs of the department or student population in agreement with the affected faculty and Division Chair. Evening assignments will not be followed the next day of the week with a class beginning before 11:45 a.m. without concurrence of the faculty member. Alternate day (Friday and/or Saturday) classes are assigned only in full agreement with the affected faculty member.
7. With the consent of the individual faculty member, based on student/college need, the contractual obligations to the college may include non-credit courses, workshops, seminars, or other community service type activities.
8. If the total annual teaching assignment, during the academic year, is less than specified in Section B of this section, the supervising dean may assign additional instruction or related duties after conference with the individual instructor and Division Chair to determine an appropriate assignment. The additional duties will be appropriate to the instructor's experience and qualifications. This assignment is not to exceed the specified number of contact hours for total instruction or related duties. Also, the assignment is not to exceed two quarters without written permission from the Vice President of Learning & Student Success. The instructor may appeal the assignment to the Vice President of Learning & Student Success.
9. The Division Chair, the Vice President of Learning & Student Success and/or the supervising Dean, in consultation with the faculty member, will make load (instructional) assignments. Loads are to be assigned according to instructional, student, and fiscal needs of the institution. During the academic year, before offering any classes to part-time Academic Employees, those classes will be offered to the full-time Academic Employees within that Division. These classes may either be considered part of the full-time Academic Employee's normal teaching load or an overload assignment. Before any changes are made, every reasonable effort will be made to consult the affected faculty member.
10. Academic employees may be given release time from teaching/counseling/librarian duties for one or more quarters when assigned responsibilities for special institutional projects. The college president must approve all special assignments supported by release time and a written contract stating the

details of the assignment must be provided to the faculty member and the Faculty Association President.

11. Academic employees teaching science lab courses may elect to teach a double-lecture section with separate labs. Load will be calculated based on two separate sections. In order for the double-section to make, enrollment in the combined section must meet 1.5 of maximum class capacity.
12. Academic employees may request to average their teaching load across three quarters (Fall through Spring). Requests must be submitted to the supervising Dean/Director and the Vice President of Learning and Student Success prior to August 1.

B. FTEF Divisor

An instructor is considered to have a full teaching load with the following assignment (average for three quarters) excluding summer quarter. Instructor load is to be figured according to lecture and lecture/lab classifications first. If an Academic Employee is teaching in two lab/lecture categories, load will be calculated in the primary work assignment category.

Type of Class	# of Contact Hours Weekly
Lecture:	15
Lab/lecture (a): Art, Lab Sciences, Music, Computer Science, Workforce Education	16
Lab/lecture (b): Agriculture Mechanics (AGM), Auto Technology, Aviation Maintenance Technology, Nursing Assistant Certified, First Aid, Industrial Systems Technology, Medical Assistant, Welding Technology, Basic Education for Adults	22
Lab/lecture (c): Nursing	20
Lab/lecture (d): Physical Education	25
Lab/lecture (e): Commercial Driver's License, Commercial Pilot/Aviation (includes 5 office hours), Work Based Learning/Co-op Education	30
Lab/lecture (f): Agriculture, Business, Business Information Management (BIM), Education, Geographic Information System (GIS), Mechatronics (MCT), Unmanned Aerial Systems (UAS)	15

C. Overload Assignment

1. Full-time faculty members may accept an overload assignment on an extra contractual basis for compensation not to exceed 4/3 of their normal teaching load. Exceptions may be granted by the Vice President of Learning & Student Success or their designee in consultation with the Division Chair for special circumstances.
2. Overload assignments outside the instructor's division may be made in consultation with the Vice President of Learning & Student Success or their designee, the instructor's Division Chair, and the division/department Chair(s) of the outside division.
3. Salary for overload assignments is based on the part-time faculty salary schedule.
4. Overload assignments for probationary academic employees must be approved by the Vice President of Learning & Student Success in consultation with the Division Chair and input from the chairperson of the probationer's Review Committee.
5. If a course is cancelled and the faculty member has an overload assignment, the cancelled course will be considered the overload.
6. Overload contracts will be issued prior to the first official student day of the class. Contracts for courses with enough enrollment to run will be issued at least one week before the first student day of class. The overload contract will state the course(s) to be taught, gross salary, and the duration of the appointment.

D. Part time Assignment

Salary is based on the credit rate as listed in the current part-time faculty salary schedule.

E. Maximum Class Size

1. Class size shall be set at a level consistent with quality instruction. It is recommended that maximum class size be determined by the appropriate Vice President or the appropriate Dean, after consulting with the Division Chair and instructor involved.
 - a. Online/Hybrid courses will be capped at the same number as their ground equivalent.

- b. Lower class maximums might be required due to room constraints, resource constraints, or special considerations discussed between the affected faculty and the Dean.
- c. Class capacities may be exceeded upon mutual agreement of the instructor and the Dean.

F. Minimum Class Size

1. Minimum enrollment for classes shall be 15 students.
2. Exceptions to the minimum class size policy may be granted by the Vice President of Learning & Student Success or their designee for one of the following reasons:
 - a. Continuing (sequential) and advanced classes that have a prerequisite which is included in the sequence in order to be considered; e.g. Spanish 121 and 122, Chemistry 161 and 162.
 - b. The course satisfies a certificate or degree requirement as defined in the current catalog.
 - c. Specialized courses which, due to the subject matter content, are offered only once per year or every other year.
 - d. Classes where enrollment is limited due to facility or state regulations.
 - e. Classes which meet special program or scheduling needs (i.e. night/weekend).
 - f. An instructor may request to run an under-enrolled class if the number of students below minimum class size in the under-enrolled class is added to a class with a waiting list, being taught in the same quarter and having the same credit value. Both the under-enrolled class and the waitlisted class must be non-general elective courses; e.g. Class "A" is a five credit class and has 10 students enrolled. Class "B" is a five credit class, has reached full enrollment capacity, and has a waitlist of five or more students. The instructor would add 5 students to class "B" to off-set the under-enrollment in Class "A".
3. All classes that meet minimum class size by the first class meeting will be considered to have "made." Instructors will be paid at the published rate. Requests for exceptions to the above policy should be directed to the appropriate Vice President or their designee.

4. Faculty members wishing to explore alternative strategies for enrollment are encouraged to share ideas with their Division Chair, Dean, and/or the VP of Learning & Student Success. Final authority for implementing alternative strategies rests with the VP of Learning & Student Success. If an alternative assignment is given, the time required for the assignment can be no more than 82.5 hours for Instructors and 96 hours for Librarians and Counselors. This equates to 25% of their expected on-campus hours for one quarter. An accounting of the time will be required.

G. Course Cancellations

1. Prior to discontinuing any class, the Vice President of Learning and Student Success or their designee shall consult with the appropriate Division Chair and affected faculty member regarding the recommendations. Division Chairs are encouraged to bring such matters to the attention of the Vice President. Final authority shall rest with the Vice President of Learning and Student Success. Such notification must be in writing and provided in a timely manner, but no later than the third day of the first week of classes.
2. Only under unusual circumstances will a class be discontinued after the third (3rd) regularly scheduled session.

H. Independent Study

1. Requires a written learning contract between the instructor and student, approved by the Vice President of Learning & Student Success or their designee. The contract must include a statement of the subject content, the specific learning outcomes for the course, learning tasks and work to be completed by the student, and credit to be earned. Time is arranged between student and instructor. Independent study classes are not clustered with other classes.
2. Receive credits as described on the MCO, if one exists, or in accordance with the guidelines in the State Board Policy Manual if no MCO exists.
3. Are reimbursed at a base rate of \$100 plus \$100 per student per credit; enrollment not to exceed 5 students.

I. Interruptions to Class

1. Academic Employees have a right to support and assistance from the college in maintaining an educational environment that promotes student learning and success. To this end, staff, administrators, and academic employees agree to keep classroom interruptions to a minimum. Where classroom interruptions are a concern, the academic employee will be notified of the need to interrupt a class in advance.

2. In situations where administrative contact with student is a requirement of the program, the academic employee and the supervising dean will work together to develop a plan for student/administrator contact that does not negatively affect the learning environment.
3. The parties recognize that emergent situations may arise and require an interruption to the class in order to ensure the safety and health of students, academic employees, and other college personnel.

Article XIII: Professional Responsibility

(see also Article IX)

- A. If an instructional position has certain certification or licensing requirements as specified in the employment contract, obtaining and maintaining those requirements is a condition of continued employment (see Article IX, Section 3.d., and Appendix C).
- B. The responsibility of the academic employee is to serve the student primarily through classroom faculty student contact and by indirect assistance as related to the teaching process. These responsibility factors should be established to ensure an appropriate balance of faculty assignments (1) in the institution, (2) within a division, and (3) for an individual academic employee.
- C. **Responsibility Schedule:** Each full time academic employee shall develop a weekly responsibility schedule in conjunction with and approved by the Division Chair and the appropriate Vice President or their designee. This schedule shall be posted on their office door, with a duplicate copy uploaded to the BBCC Portal, no later than the end of the first instructional week of each quarter during the College calendar year. The responsibility schedule shall include class hours and office hours.
- D. Academic employees shall develop written objectives in a Master Course Outline for each course taught. These objectives will be available to students planning their learning programs. Each Master Course Outline shall be reviewed and updated every three (3) to five (5) years to ensure instructional efficiency. A course syllabus is the document instructors provide students informing them of course content and procedures and is in accordance with the Master Course Outline.
- E. **Academic Employee Responsibility:** The Faculty Association agrees with the principle of personal accountability and is fully willing to cooperate with the administration on this matter according to the following procedures:
 1. The Professional Rights and Responsibilities Committee as appointed by the Faculty Association President will hear complaints of violations of professional rights and responsibilities. Matters may be referred to this

committee by the Association President on behalf of any faculty member or by the appropriate Vice President. Faculty may not bring another faculty member to the PR & R Committee. The committee will hold hearings to examine the complaints and will return a recommendation to the Association President who will submit the recommendation to the administration for action. While a poor Tenured Faculty Evaluation may be indicative of performance of professional responsibilities, it is, in itself, insufficient evidence of poor performance. At least three recent quarters of documentation showing a pattern of poor performance are necessary for referral to the Professional Rights and Responsibilities Committee. Documentation may include but is not limited to:

- a. a pattern of student complaints or grievances; an official form containing the complaint and all subsequent actions will be filed in the Instructional office with a copy to the faculty member involved.
 - b. a pattern of complaints regarding clinical site work;
 - c. a pattern of excessive student withdrawals;
 - d. a pattern of excessive absenteeism or reoccurring failure to meet classes;
 - e. a failure to fulfill professional responsibilities, e.g., committee assignments. (refer to Articles IX and XXXI)
 - f. a failure to work cooperatively and professionally with peer faculty and/or staff.
2. The PR & R Committee will meet with the academic employee, appropriate students, division members, etc. to evaluate the evidence. A report of the PR & R Committee will be sent to the VP of Learning & Student Success and the Faculty Association President within three weeks (15 working days) of initial charges. If the PR & R Committee finds that there is sufficient evidence to indicate that the faculty member is not performing to contractual expectations, then the employee will be placed on remedial status. If the complaints concern a Vice President/Dean, the College President rather than the Vice President/Dean will review the matter. If the complaints concern the College President, the Board of Trustees will review the matter. If a faculty member feels they have a complaint, recourse may be sought through the normal chain of command.
- a. A Remedial Committee equivalent to a probationary committee (three faculty assigned by the Faculty Association President and one administrator assigned by the President or his designee, but without the student) will be formed to evaluate the performance of

the faculty member over the succeeding three quarters (excluding Summer quarter).

- b. The Remedial Committee will meet with the affected faculty member during the first week of the first quarter of remediation to work out a remediation plan based on the evidence and report of the PR & R committee. Should the remediation involve instructional complaints, then the remediation process shall include an evaluation through student evaluation, classroom visitations, and peer faculty evaluation.
- c. At the end of the three quarters the Remedial Committee will submit a report to the PR & R Committee, the Faculty Association President and the Vice President of Learning & Student Success giving an evaluation of the faculty member's progress. The Professional Rights and Responsibilities Committee will evaluate the report and may recommend one of four options:
 1. Exoneration of said faculty member.
 2. Reprimand of said faculty member with a letter placed in their personnel file and a recommended plan of professional development and/or remediation.
 3. Recommend continuation of remediation if significant progress has not been made.
 4. Recommendation for dismissal of said faculty member. Should dismissal be recommended, the faculty member is entitled to due process as allowed in RCW 28B.50.863 and Article XXVI, D of the *Negotiated Agreement*.
3. In any case, the Chair of the Professional Rights and Responsibility Committee will issue a written report of the investigation to the appropriate administrator, President of the Faculty Association, and the faculty member in question. Final recommendation will then be given to the President of the College by the appropriate administrator.

F. Professional Support:

1. The parties agree there may be times when Associate and tenured faculty need additional support in the areas of teaching and learning, governance, student success, or other areas of professional responsibility. Probationary Committees will provide support for and address concerns about Probationary Faculty.

2. Except for extreme conditions, the supervising dean, with notification to the Division Chair, will meet with an Academic Employee to evaluate concerns and develop a plan to resolve issue(s). Concerns may be related to any of the following:
 - a. A pattern of student complaints or grievances;
 - b. A pattern of complaints from industry partners or clinical worksites;
 - c. A pattern of excessive student withdrawals;
 - d. A pattern of excessive absenteeism, reoccurring failure to meet classes, or consistent inability to meet the parameters of the assigned class;
 - e. A failure to fulfill governance responsibilities, e.g., committee assignments (refer to Articles IX and XXI);
 - f. A failure to work cooperatively and professionally with peer faculty and/or staff.
3. Based upon the nature of the complaint/concern, the supervising dean, the Division Chair, and the affected faculty member will develop an improvement plan that may include but is not limited to student evaluations, classroom visitations, peer faculty observations, a formal mentoring program, or other activities as deemed appropriate based on the presented concerns. The duration of the plan will be from one (1) to three (3) quarters, excluding summer quarter, depending upon the specific circumstances of the concern.
4. At the completion of the plan, the supervising dean and the Division Chair will draft an outcome report that will be provided to the affected academic employee, the VP of Learning & Student Success, and the Faculty Association President. The report will include a review of the developed plan, whether or not the plan activities were successful, and one of the following recommend actions:
 - a. Closure of the concern/complaint and improvement plan based on successful resolution of the concerns by said faculty member.
 - b. Recommend continuation of remediation if significant progress has not been made.
5. The complete report will be placed in the academic employee's personnel file.

6. The development and implementation of an improvement plan does not obligate the college to continue to issue employment contracts to the affected faculty member. Employment contracts are based on instructional, student, and fiscal needs of the institution.
7. The college reserves the right to issue letters of reprimand and/or disciplinary action as a means of resolving the complaint/concern should the affected faculty member decline to participate in an improvement plan process. Should dismissal be recommended, the faculty member is entitled to due process as allowed in RCW 28B.50.863 and Article XXVI, D of the Negotiated Agreement.

Article XIV: Compensation

A. Salary Index Matrix (SIM)

1. Full-time academic employees who meet minimum position requirements shall be placed on the Salary Index Matrix (SIM). The initial salary placement of these academic employees shall be according to relevant experience and credentials. Initial placement may exceed that provided for in Paragraph B. 1 and 2 below upon recommendation of the appropriate Vice President or their designee and the concurrence of the President. Such placement is to be recommended only for those positions where a college assessment of the market value of such a position within the Community and Technical Colleges of Washington requires a higher entering salary to contract with the most appropriate candidate. This placement is subject to review as provided in Section A.3 of this article.
2. The appropriate Vice President or their designee shall place each new full time academic employee on the Salary Index Matrix.
3. A Credential/Experience Verification Form will accompany the initial contract showing determination of SIM placement and indicating the right to appeal the placement according to this Article. To apply for a change in initial salary placement, the employee must submit evidence to support their appeal for re-evaluation by the end of the second academic year of employment to the appropriate Vice President or their designee; decisions will be subject to re-evaluation by the Professional Rights and Responsibilities Committee within 30 working days of receipt of the appeal, with the committee's recommendation forwarded to the President for consideration within that stated time period.
4. All newly hired, full-time academic employees paid from State funds will be placed on probationary status, except those hired for specially funded programs as referenced in Article XXIV, A.4.

5. SIM advancement for completion of degrees shall be subject to provisions outlined in section C.1 of this article. The academic employee must notify the appropriate Vice President's office and the Human Resources office in writing by April 1 of the intent to move on the SIM due to degree completion.

B. Placement on the Salary Index Matrix (SIM)

1. This is a method of determining an academic employee's salary by multiplying the base salary by a decimal value (salary index number) as negotiated for full-time academic employees. The base salary shall be **\$60,230** equaling an index of 1.0000. Placement shall be according to Placement Points. There are two components to Placement Points consisting of Experience Points and Credential Points. The sum of both subsets of points equals the placement points used to determine a starting salary.
2. Placement Points are awarded on formal verification of relevant experience, credentials and/or degrees from accredited institutions. New hires will provide verification of relevant experience, credentials and/or degrees from accredited institutions in the manner prescribed in the official BBCC Credential/Experience Verification form and all documentation will be maintained in the academic employee's personnel file in the H.R. Office.
3. The Credential/Experience Verification form will be developed and/or revised jointly with the Vice President of Human Resources and Labor and the Faculty Association President. An initial placement will be made upon hire, and the new employee has six (6) months from the date of hire to provide completed Credential/Experience Verification forms for confirmation of credentials and potential upward adjustment of placement points.
4. **Experience Points** for initial placement are calculated first and are awarded for each full or pro-rated year of employment experience directly related to the position being filled, up to a maximum credit of 10 years. Experience points will identify an experience-only based salary. To identify the index for Experience Points, each year of relevant employment experience would increase the index value by 0.01, such that 10 years (maximum allowed) of relevant experience would increase the index value to 1.10. Pro-ration would lead to fractional points, e.g., one-half year of full-time relevant experience would equal one-half of an experience point that is equal to .005 on the SIM. Teaching experience is based on the academic year while industry work experience is based on the calendar year. The index of that salary is then adjusted upward with the Credential Points as determined below.
5. **Credential Points** (added to base of 1.00) are awarded as follows:

- a. Certifiable as per WAC 131-16-091 (Technical/Professional standards) **OR** relevant Baccalaureate Degree = .00
- b. Journeyman credentials from appropriate program of certification OR verification of at least five (5) years full-time relevant work experience for those trades that do not have formal journeyman criteria OR relevant Master's Degree = .06
- c. Qualified* Masters of Fine Arts (MFA) = .09
(*MFA will be placed at master's level if there were comparable credits in a master's program at that school. If the MFA program at that school required at least thirty (30) more credits than a master's program, then placement can be at the MFA level.)
- d. Certification of at least ten (10) years of full-time related work experience with at least two (2) of those years full-time teaching in the field, **OR** a relevant Doctorate = .15
- e. The same years of full-time work and/or teaching experience that qualify an employee for Credential points cannot also be counted as years of experience for Experience points.

C. **SIM Movement/Promotional Steps**

1. **Advanced Degree.** After hire, when a full-time academic employee is awarded an advanced degree as part of a pre-approved professional development plan, and submits an official transcript verifying the degree, the employee will be awarded movement of 0.10 on the SIM. The salary adjustment will be effective July 1 of the next fiscal year, subject to legislative funding. If completion of the degree is a condition of employment for a new academic employee, there will be no movement on the SIM upon completion of that degree.
2. **Tenure Promotion.** The base salary of each tenure-track faculty member will increase \$2,000.00 upon the award of tenure effective the following instructional year.
3. **Tenured Faculty Promotional Steps**
 - a. **Intent:** Full-time faculty shall have an opportunity to be promoted to Senior Tenured Faculty, Distinguished Tenured Faculty, and Honored Tenured Faculty, provided all criteria have been met and the promotion has been approved by the College.
 - b. **Compensation:** Upon attainment of Senior Tenured Faculty, the faculty member's base salary will increase \$3,000. Upon attainment

of Distinguished Tenured Faculty, the faculty member's base salary will increase an additional \$3,000. Upon attainment of Honored Tenured Faculty, the faculty member's base salary will increase an additional \$3,000. These salary changes shall take effect on September 1 following the approval of the promotion.

c. Promotional Criteria:

1. Tenured faculty may apply for the promotion to Senior Tenured Faculty once they have completed the following three (3) requirements:
 - a. Teaching: Two (2) years of teaching at BBCC after the award of tenure.

no more than two average scores of “needs improvement” per course.

3. Distinguished Tenured Faculty may apply for the promotion to Honored Tenured Faculty once they have completed the following three (3) requirements.
 - a. Teaching: Four (4) years of teaching at BBCC after the award of Distinguished Tenured Faculty.
 - b. Activities: The faculty member has completed two (2) additional activities listed in 4.g, with at least one (1) from the Campus Level and the second from either the Campus Level or Cross-Faculty Level. These activities are in addition to the two (2) applied towards Distinguished Tenured Faculty status and must be completed after the awarding of Distinguished Tenured Faculty status.
 - c. Positive Student Evaluations (Teaching Faculty Only): Student evaluation surveys from at least three courses from Fall and Winter Quarters of the year of application for promotion are positive with an average score of “meets expectations” or higher and no more than two average scores of “needs improvement” per course.

d. Application Process: The process for faculty promotion will be:

1. The process for promotion to Senior Tenured Faculty, Distinguished Tenured Faculty, and Honored Tenured Faculty is initiated by the faculty member sending an email to their supervising dean/director, the VP of Human Resources & Labor, and the President of the Faculty Association indicating the faculty member’s intent to apply for promotion at the end of the academic year. This email will be sent by October 15 of the calendar year. In response to this email, the dean/director will arrange for student evaluations to be conducted in the Fall and Winter quarters.
2. In the Spring Quarter, requests for promotion and all materials are submitted to the VP of Learning & Student Success by April 15 of each calendar year. At the time of the request, the faculty member must have completed the required uncompensated PDUs. The VP will review the

request and supporting documentation provided by the faculty member and approve or deny the request.

3. The promotion decision will be communicated to the faculty member no later than May 15. If the promotion is denied by the VP of Learning & Student Success, the faculty member and union president will be provided with a written explanation of the decision specifying which promotional criteria were not satisfied. A faculty member denied promotion may re-submit a request for promotion in any subsequent year.
 4. Upon achieving Senior Tenured Faculty, Distinguished Tenured Faculty, or Honored Tenured Faculty promotional status levels, faculty members may continue to receive compensation for accumulated PDUs in accordance with Article XV.
- e. Activities compensated for under other sections of this agreement are not eligible for consideration under the Senior Tenured Faculty Promotion, Distinguished Tenured Faculty or Honored Tenured Faculty criteria. Monies for promotions will be made available from funds other than Legislative-approved increases, COLA, increments, and turnover dollars.
 - f. If a financial emergency has been declared by the State Board for Community and Technical Colleges (SBCTC) and is in effect at the time the promotion has been approved, the college may postpone the salary increase until funding has been restored.
 - g. The following activities can be used towards application for promotion to Distinguished Tenured Faculty and Honored Tenured Faculty. It is the faculty member's decision which activities they will complete within the required categories as listed in 3.b and 3.c. Activities are organized into three categories: Individual Level, Cross-faculty Level, and Campus Level.

I. **Adjunct/ Part-time Academic Employees and Overload Assignments for Full-time Faculty**

Within this section, the terms Adjunct faculty and/or Part-Time Academic Employees refer to both Associate, Senior Associate, and Distinguished Associate faculty.

Adjunct/Part Time Salary Schedule: These assignments are not subject to tenure. Payment is for all duties of the assignment as outlined in the job description for part-time instructors in Article IX, D.

1. Adjunct faculty members, excluding those paid on an hourly basis, will be issued quarterly appointment notices that state the course(s) to be taught, gross salary, and the duration of the appointment prior to the first official student day of the class. In the event the adjunct faculty member is new to the college and has not completed new hire paperwork, the quarterly appointment notice will be issued within seven (7) days of the receipt of the new hire paperwork by the Human Resources Office.
2. An adjunct faculty member's appointment for a course assignment may be cancelled if their services are not needed, if there is insufficient enrollment in the course they are appointed to teach, or the course they are appointed to teach is needed to make a full-load for a tenured faculty member.
3. Part-time Academic Employees - payment for less than .76 FTEF (Full-Time Equivalent Faculty) is determined on a per class basis, according to the part-time salary schedule at the end of this section.
4. Part-time Academic Employees – payment for .76 FTEF or more (Full-Time Equivalent Faculty) is determined by the actual percentage of FTEF, based on index of 1.000 on the Salary Index Matrix, divided by three (3) to indicate a quarterly base. This rate is adjusted to 75% as part-time duties do not include non-instructional duties, e.g. academic planning, program development and review, academic advising, committee work, or participation in institutional governance.
5. The part-time salary rate will be used to compute adjunct salaries of lecture/lab courses when that amount is greater than that which would be received in the .76 FTEF percentage as described above.

6. Year-long (3 quarters – fall, winter, spring) full-time emergency hire replacement positions will be placed on the Salary Index Matrix appropriate to their relevant experience and appropriate academic credentials for the position. Year-long full-time emergency hires will carry out all the responsibilities of full-time academic employees. In the event the emergency hire continues into a probationary contract, the year spent as an emergency hire will not be counted towards tenure.

The Division Chair stipend includes up to four summer meetings, including screening or hearing committee meetings as defined in Article II. If the Division Chair is not available a division representative shall attend in his or her place. A stipend of \$50 per meeting shall be paid to the division representative and this amount shall be deducted from the Division Chair stipend for the year. The Assessment Committee Chair stipend includes completing the annual report on assessment by August 30.

L. Stipends for Special Non-Teaching Assignments

Stipends may be offered to academic employees for special non-teaching assignments such as the following: placement testing; curriculum development; portfolio reading; lecture/film series; presentations at workshops, seminars, and in-services, etc. The pay for these assignments will be determined by the Vice President of Learning & Student Success after consultation with the supervising Dean/Director and the academic employee. Faculty may choose to have a representative from the Faculty Association present during any discussion of the pay for these assignments.

To this end, academic employees are encouraged to participate in activities that will promote professional growth, maintain the quality of educational offerings, and enhance the individual's contribution to the general welfare of the college.

Professional Development Units (PDUs) may be earned for activities that provide a faculty member with information, training, or experience that will either benefit them in the performance of their job as an instructor or benefit the college. B. Granting of PDUs

1. Professional Development Units (PDUs) are granted for the following activities:
 - a. Pre-planned, pre-approved work experience outside of regular college teaching or counseling, not to exceed ten PDU's in any calendar year, will convert to PDUs as indicated below.
 1. 40 hours of work experience = 1 PDU
 - b. Courses from an accredited university or college will convert to PDUs as indicated below. For undergraduate courses in the instructor's department or area of instructional practice see 1.h.
 1. PDUs for transcribed courses are calculated using Carnegie units of eleven (11) hours per quarter credit, sixteen (16) hours per semester credit. 4 hours for these credit bearing courses = 1 PDU.

PDUs for transcribed courses from a competency-based education program that are NOT the same as the Carnegie units above will be determined as follows: Number of semester credits X 4 = number of PDUs i.e. 3 credit units = 12 PDUs. It is the responsibility of the Faculty member to provide the necessary documentation to show Carnegie equivalency if the ratio does not match the one above.

- c. Reading relating to college initiatives, andragogy, pedagogy, cultural inclusion, content knowledge, and/or accessible technology will convert to PDUs as indicated below.
 - 1. Up to 100 pages = 1.0 hours; 101-200 pages = 2.0 hours; 201-300 pages = 3.0 hours, and so on. 8 hours of reading = 1 PDU
- d. Attending conferences, training programs, and non-credit institutes and workshops of significant educational value will convert to PDUs as indicated below. Also includes presentation of original material at said conferences, programs, or workshops. PDU calculations are based on the published course duration/completion hours.
 - 1. One full day (8 hours, normally 9:00am to 5:00pm) = 1 PDU
- e. Participating in training programs in the areas of teaching, learning, or assessment will convert to PDUs as indicated below. PDU calculations are based on the published course duration/completion hours.
 - 1. One full day (8 hours, normally 9:00am to 5:00pm) = 1 PDU
- f. Publication, professional exhibits, presentations, coordinator of community events, talks, or written speeches, not to exceed ten (10) PDUs in original work will convert to PDUs as indicated below. Also includes planning, preparation, coordinator, and presentation of original work.
 - 1. 40 hours = 1 PDU
- g. Mentorship activities as defined in Article XXI or service as an advisor to an ASB-recognized student club will convert to PDUs as indicated below.
 - 1. 8 hours of activities = 1 PDU
- h. Non-credit courses, such as MOOCs, and undergraduate courses in the instructor's department or area of instructional practice will be treated as workshops and convert to PDUs as indicated below. If the faculty member requests the MOOCs to be calculated at the higher, credit-bearing PDU rate, then all completed assessments and the MOOC syllabus must be provided to the Dean at the time of the request.
 - 1. 8 hours = 1 PDU unless approved at the higher, credit-bearing rate (see b.)

- i. Participation in activities such as division meetings, in-service, committee work, and assessment activities will convert to PDUs as indicated below. These activities are limited to Associate Faculty, only. Associate Faculty receiving payment for meeting or in-service attendance or contracted work assignments may not also claim PDUs.

1. 8 hours of service activities = 1 PDU

- 2. PDU completion forms and supporting documentation must be submitted to the dean for approval no later than six (6) months following the completion of the PDU activity.
- 3. Professional development activities in the area of work experience or that require travel must be pre-approved by the appropriate Dean and Vice-President. Faculty may seek preapproval for PDU activities not directly related to their professional assignment. Forms for preapproval of professional development activity or to report completion of activity are available on the BBCC website.
- 4. College-assigned meetings and committee attendance are normal duties for Full-Time and Senior Associate Faculty and cannot be used under Article XV.
- 5. Associate Faculty shall receive either a \$75 stipend for attending each quarterly in-service or professional development units, but may not receive both. The intent to claim PDUs for in-service activity must be made at the time of attendance.
- 6. Those academic employees who are in approved degree programs continue accruing degree credits with no buy-outs as they will move on the SIM upon completion of the degree. Professional development other than for the pre-approved degree programs for those employees will count towards accumulation of PDUs eligible for payouts. If completion of a degree is a condition of employment for a new academic employee, there will be no movement on the SIM or PDUs granted upon completion of the degree.

C. PDU Stipend Payment

- 1. Probationary academic employees, tenured academic employees with less than five (5) years of teaching experience at BBCC, Associate, and Senior Associate Faculty are eligible to receive a professional development stipend of \$1,500.00 upon completion of 15 PDUs. their intent to claim a stipend by April 15 with approved documentation on file in the HR office by August 31.

2. Probationary academic employees and tenured academic employees with less than five (5) years of teaching experience at BBCC may elect to defer payment of the PDU stipend in lieu of accumulating PDUs for the purpose of applying for promotion to Senior Tenured Faculty in accordance with Article XIV, Section C.

A \$1,500.00 professional development stipend will be issued to those faculty members that accumulate a minimum of 15 PDUs prior to April 1. Faculty members with less than 15 PDUs by March 31 must communicate their intent to claim a stipend by April 15 with approved documentation on file in the HR office by August 31. Faculty may communicate their intent to claim a stipend via email or written note to the HR Office. Stipends will be paid to those eligible faculty members on the last payday in September.

E. Funding

1. If a financial emergency has been declared by the State Board for Community and Technical Colleges, and is in effect at the time the stipend is due, the total amount of stipends may be limited to \$10,000 that year. In such years, faculty members who have received stipends in the previous calendar year may not receive a stipend until all other eligible faculty members have received their stipend. In addition, during a financial emergency no faculty member may receive more than one stipend until all eligible faculty members have received one stipend. Priority for funding a stipend will be based upon the earliest date of completion of the 15 completed PDUs. Any remaining PDUs, including any unfunded blocks of 15 PDUs, carry over for future payments.
2. Stipend dollars will be made available from funds other than Legislative-approved increases, COLA, increments, and turnover savings.

Article XVIII: Leaves

A. Sabbatical/Professional Leave

1. Purpose

- a. The purpose of sabbatical leave is to benefit the college and its students by providing academic employees with the opportunity to engage in activities leading to professional growth and revitalization. The college encourages eligible faculty to make use of sabbatical leave. Such leave would allow for an extended period of time free from normal contractual obligations in order to pursue legitimate professional goals.
- b. This purpose is consistent with the provisions of RCW 28B.10.650 as now exists or hereafter amended and with the college's commitment to faculty professional development. Appropriate uses of sabbatical leave would include formal study, travel relevant to work assignment, work experience in one's teaching field, or any other activity which would allow the faculty member to contribute substantially to the college. Financial gain should not be the primary goal of the sabbatical.
- c. First priority for sabbatical leaves shall be given to providing opportunity for professional growth and revitalization within the academic employee's discipline. Second priority shall be given to requests for academic training outside of their discipline.

2. Eligibility

- a. Faculty who have been through at least one Tenured Faculty Evaluation are eligible to apply for sabbatical leave for one, two, or three consecutive quarters. A maximum of three quarters of sabbatical leave can be taken in any seven-year period.

3. Approval

- a. All sabbatical leaves require the approval of the Board of Trustees. The number of sabbatical leaves approved by the Board shall not exceed five percent (5%) of the full-time contracted faculty. The number of leaves granted shall be subject to the availability of state funds. In the event that the number of applicants exceeds the number of recipients, the Board shall name a first and second alternate to replace a leave recipient should an employee not accept a sabbatical leave.
- b. The most important obligation of a sabbatical leave recipient is to make every effort to accomplish the tasks set out in the application. If circumstances occur prior to the start date of the sabbatical that make it impossible to fulfill the approved sabbatical leave, the recipient will be expected to relinquish the awarded sabbatical and perform normal duties during that year.

4. Sabbatical Committee

- a. The Sabbatical Committee shall be comprised of two administrators appointed by the College President and three faculty members from the Professional Rights & Responsibilities Committee.
- b. The Sabbatical Committee shall receive and screen sabbatical requests, interview sabbatical leave applicants, and submit recommendations to the VP of Learning and Student Success and the President.

5. Application Procedure

- a. Applications for sabbatical leave must be submitted to the Human Resources Department by October 15. Once an application has been received, the Vice-President of Human Resources & Labor will notify the College President and the President of the Faculty Association and a committee shall be convened. Applications for sabbatical leave must include the following:
 - 1. Narrative description of the project
 - 2. Accounting of the use of budgeted travel funds, if any are requested during the proposed leave. Budgeted travel funds are subject to approval regular budget review process used by the supervising dean, the Department, and the Division.
 - 3. Specific, measurable outcomes of the project

4. A detailed time schedule of activities
 5. A current resume, CV, or descriptive summary of professional development activities and service to the college and/or community
 6. Two letters of support from colleagues and/or a supervisor
- b. The Sabbatical Committee shall use the following criteria in developing their recommendation regarding the sabbatical request.
 1. The proposal is understandable to the committee, including those outside the applicant's discipline.
 2. Proposed outcomes are well-defined and are proportionate to the length of the requested leave.
 3. The project is realistic and attainable.
 4. The proposal clearly states how the sabbatical will enhance and improve the applicant's professional competence or growth, including benefits to students, educational programs, and/or the community.
 - c. The Sabbatical Committee will provide a written recommendation to the Vice President of Learning & Student Success by December 1 with a copy of the recommendation provided to the applicant. In the event the Sabbatical Committee recommends modification or denial of the sabbatical request, the applicant may submit additional information to the VP of Learning & Student Success by December 15. The VP will add their recommendation and forward the application(s) and additional information to the President. The President may recommend candidates for sabbatical leave awards to the Board of Trustees after they have given reasonable consideration to the recommendations of the Sabbatical Committee and the VP of Learning & Student Success. The President will provide written notification to the applicant of the recommendation to the Board of Trustees.
 - d. In the event the President recommends modifications to the original sabbatical request, the applicant may choose to submit a letter and supporting documents to accompany the President's recommendation to the Board of Trustees. Applicants are encouraged to attend the board meeting to answer any questions from the Trustees.

- e. The President will submit a recommendation to the Board of Trustees at the first regularly scheduled meeting of the calendar year, at which time the Board will take action on the recommendation. Approved requests for sabbatical leave shall commence at the start of the next academic year. The final decision to grant a sabbatical leave shall rest with the Board after it has given reasonable consideration to the recommendation from the college President.
- f. Time lines may vary with the mutual consent of the Association and the District.

6. Compensation

- a. Faculty are encouraged to seek outside funding support for their sabbaticals. Compensation from the college during sabbatical leave shall be computed on the basis of the recipient's 173-day contractual salary for the year in which the leave is taken.
- b. The following rates apply:
 - 1. 90% of salary for one-quarter leave.
 - 2. 85% of salary for two-quarter leave.
 - 3. 80% of salary for three-quarter leave.
- c. All recipients of sabbatical leave shall execute a contract with Big Bend Community College in which the recipient agrees to return to the college and serve in a position comparable to the position vacated during the leave.

7. Completion of Sabbatical Leave

- a. Upon completion of the sabbatical leave, the recipient must return to college duties for a period of time at least equal to that of the approved sabbatical leave before they are eligible to apply for another sabbatical leave. Failure to return from leave as outlined in the signed contract will result in the recipient repaying all salary provided by the college during the approved leave. The recipient shall be placed in a position at a salary no less than the one received before the leave. It is the intention of the college to place the recipient in the same or similar position upon return.
- b. A written report of sabbatical leave activities shall be submitted to the President within three months of the return from leave. The report should address the proposal in the application for leave,

describe what was accomplished, and explain the current status of the project. The report may also describe other professional accomplishments during the time of the leave. The recipient must also report the results of the sabbatical leave to the campus community. Options include, but are not limited to, a public lecture or presentation, a website devoted to the project, or a written summation made available through the college library.

- c. The time spent on sabbatical leave will be recognized as equivalent to time spent as a full-time faculty member of the college and will constitute fulfillment of instructions, service, and professional development responsibilities for the time spent on sabbatical. While on sabbatical leave, faculty may use budgeted travel funds and may earn PDUs for professional development activities based on the language in Article XV of the current negotiated agreement.

B. Retraining Leave

1. A faculty member who could become qualified for a projected position vacancy within the time provided by a "Professional Leave" may apply for a retraining leave. All conditions applicable to "Professional Leave" must be met except that the faculty member will be preparing for another position rather than improving in the one held. If, after the retraining leave, the College cannot provide for the projected position because of program, enrollment, and/or financial changes, the faculty member affected may remain in their originally tenured position subject to all leave requirements. In the event a retraining leave is prompted by a non-renewal of program and the projected position does not materialize, the faculty member will not be provided a contract and will not be required to repay the College.

All procedures pertaining to the following absences and leaves for faculty shall be made with due consideration being given to preserving the continuity of instruction and related activities to the fullest extent possible. Faculty shall meet with all scheduled classes except in cases of unavoidable absences due to illness, injury or similar uncontrollable factors. In case of any such absence from the College during normal working hours, a faculty member must notify the H.R. Office as soon as possible.

C. Sick Leave

1. **Academic employees on an annual contract** shall earn ten days (80 hours) of sick leave per contract year accrued at one day (8 hours) per academic month of full time employment, September through June. There is no limit to the number of days an annually contracted academic employee can accumulate from year to year. This paid sick leave is for personal and immediate family illness, injury, or additional bereavement leave (see definition of immediate family in Article II).

2. **Part-time/Adjunct academic employees** shall be entitled to earn sick leave in accordance with RCW28B.50.4893:
- a. Sick leave shall be earned on a pro-rata basis on in-class hours based upon their percent of full-time for all part-time faculty contracts within each academic quarter (fall through spring). Counselors and librarians will have their percent based on the assigned load identified in Article IX. This leave may be utilized when an academic employee is unable to meet assigned in-class teaching hours that quarter due to personal and/or immediate family illness, injury, or additional bereavement leave (see definition of immediate family in Article II).
 - b. Accruals for part-time academic employees will be rounded to two decimal places.
 - c. The employee's sick leave accrual for the quarter will be granted when the signed contract(s) are received in payroll.
 - d. Sick leave shall accrue each quarter of active employment and may accumulate without limitation.
 - e. The College will maintain a part-time academic employee's sick leave balance for up to 12 months following active employment. Active employment is defined as having been issued a part-time teaching/counseling/librarian contract in any 12-month period. Sick leave balances will revert to zero following 12 months of inactive status or separation from employment.
 - f. Part-time academic employees who return to employment following a 12-month period of inactivity or separation from employment will begin their sick leave accrual from zero. Previous accruals are not available for reinstatement.
 - g. Part-time academic employees shall have the same notice requirements as full-time academic employees as identified in C.3, below. As follow-up to the notification, the formal completed sick leave form must be submitted to the appropriate administrator within 24 hours of returning to work.
 - h. Part-time academic employees are entitled to use their accrued sick leave consistent with rules governing full-time academic employees. Sick leave may be used only for contracted days.
 - i. A part-time academic employee's compensation will be adjusted for class time missed beyond available accrued sick leave or for unmet class time not qualifying for paid sick leave.

3. **Procedure for reporting absences: see Appendix D.** Requests for sick leave must be submitted to the supervising dean/director using the online employee self-service function in PeopleSoft. Requests must be submitted within twenty-four (24) hours of a return to campus.
4. After five (5) consecutive days of illness or injury, or in the case of a pattern of absences utilizing sick leave, a consultation with the employee may be requested by the Vice President of Human Resources. Following this consultation, or if the opportunity for the consultation is refused by the employee, medical certification may be required. The College may request a second opinion at the college's expense.
5. Sick leave absences are calculated at 8 hours for each contract day. If a single period of absence includes a professional day (e.g., a Thursday absence and an absence on the following Monday), the absence for the professional day will be deducted from the sick leave balance, unless the faculty member has worked the professional day and noted this on the sick leave request.
6. Shared leave allows sick leave to be donated to another BBCC employee according to board policy, if the employee maintains 22 days of sick leave. Only compensable sick leave can be used for donation. (RCW 41.04.650-655)
7. Full-time faculty may use their accumulated sick leave to cover sick leave related absences during overload assignments during the academic year. Full-time faculty working summer quarter may use their sick leave accumulated during the academic year for sick leave related absences. Sick leave can be used for a maximum of three calendar days during summer quarter. Use of accrued sick leave for overload or summer assignments will be at a rate of 0.5 hours of sick leave deduction from the faculty member's sick leave balance for each hour of contact time missed.

D. Leave of Absence Without Pay

1. An employee may be granted a leave of absence by the appointing authority because of that employee's extended illness or other extended personal or professional need.
 - a. An employee who has not requested a professional leave for salaried work experience may request a leave of absence without pay.
 - b. A leave of absence without pay may be granted when it has been determined that appropriate instructional coverage can be provided by either hiring a replacement instructor, or the current teaching staff

can absorb the schedule of classes that would be taught by the instructor requesting leave of absence without pay.

- c. A leave of absence without pay, when granted, is at the professional convenience of the College. The faculty member granted a leave of absence without pay will be able to return to their faculty position at the expiration of said leave unless a change of program, or lack of students, or a financial emergency has caused a RIF of that position under Articles XXXIII and XXXIV of this agreement, in which case the layoff provisions of Article XXXIV will apply to the faculty member returning from leave.
2. No proportionate salary will be paid to the employee while on leave of absence without pay, nor will the college continue to provide the insurance plan, except for absences covered by approved FMLA leave. For other leaves of absence without pay, the employee can contact the Health Care Authority to seek options under the Consolidated Omnibus Budget Reconciliation Act (COBRA).
3. Credit toward tenure will not be granted to an employee who fills a position that has been granted a leave of absence.

E. Other types of leave are available to faculty per state and federal law.

Examples of this are the Paid Family Medical Leave Act (federal) and the Washington Family Medical Leave Program for such things as pregnancy, adoption, parental leave, care of self or family member for a long term illness, etc. Other examples are leave for Disability, Domestic Violence, Military, etc. If a faculty member requires leave for a reason not identified in this Negotiated Agreement, they should contact the Human Resources Office as soon as reasonably possible so options can be identified to protect the employee's job while on such needed leave. Leave beyond what is guaranteed by these laws may be considered upon employee request. (RCWs 49.12.265, 49.76.020, 38.40.060, 49.77, 49.86, 50A.04)

F. Bereavement Leave

Bereavement leave may be taken as follows:

4. Employees shall be granted up to three (3) days with pay per occurrence because of a death in the immediate family, or other persons approved by the College President or their designee.
5. Additional days of bereavement leave shall be deducted from the employee's accumulated sick leave (up to 5 additional days).

G. Civil/Jury Leave. The academic employee shall be excused from their duties for jury service or to reply to a subpoena. Such academic employee shall be paid the

regular pay upon submission of leave form accompanied by a copy of jury summons or subpoena outlining the dates the employee is requested to be in court. Such leave shall not be deducted from any other leave to which the employee might be entitled. Employees will be allowed to retain any compensation paid to them for their civil/jury service.

- H. **Personal Leave.** Full-time academic employees under annual contract shall receive two (2) personal leave days per instructional year commencing the first effective day of their contract. Each employee may accumulate up to a total of four (4) unused personal leave days. This leave is to be taken in two (2) hour increments. Leave may be taken provided there is appropriate coverage of instruction and/or services to students. Prior approval (when possible) through the supervising dean/director is required. This leave may not be used in violation of any other provision of this contract. Personal leave will not be approved during commencement or in-service days except in extenuating circumstances, with prior approval by the President. Requests for accumulated personal leave days to be taken consecutively that are deemed disruptive to instruction or contracted responsibilities will be denied. No more than two (2) personal leave days may be used per quarter during the academic year.
- I. **Conditional Leave.** In the event an individual faculty member is unable to meet contractual responsibilities because of verifiable unsafe or inclement conditions within the BBCC service district affecting modes of transportation between their place of residence within the BBCC service district and assigned BBCC classroom/work location, he or she will be allowed to use a personal day. If a faculty member does not have a personal day available, leave is then subject to the approval of the college president. (See definition for Conditional Leave.)
- J. **Faculty Association Leave.** Leave with pay may be granted to 1-3 members of the Faculty Association to attend a state, regional, or national meeting, related to the business of the Association, at no additional travel or per diem expenses to the college. This leave is limited to 3 days total per academic year. It can be granted to one member for 3 days or distributed among 3 members for 1 day, or any combination thereof. This leave may be granted when it has been determined by the appropriate Vice President or Dean that coverage can be provided by current faculty absorbing the duties of those using this leave, or in the event that is not possible and a suitable substitute can be identified, by hiring a replacement.
- K. **Suspended Operations:** In the event of an emergency situation adversely affecting college operations, public health, or the well-being and safety of students, faculty or staff, the college president or designee may declare a temporary closure of any or all units of the college. Procedures for suspended operations are detailed in Appendix E.
- L. It is the responsibility of the College to ensure adequate coverage of an employee's contracted duties when the employee is on an approved leave. For

absences less than five (5) days, the employee will make a reasonable attempt to ensure that appropriate coverage of instruction and/or services to students is arranged and communicate those arrangements to the supervising dean. In the event the employee is unable to make arrangements for coverage of instruction and/or services to students due to the emergent nature of the absence, the employee or family member will follow the Procedure for Reporting Absences outlined in Appendix D of the agreement.

Remote work may be approved by the supervising dean/director based on the specific circumstances of the absence and the employee's instructional and work responsibilities. Such remote work may not exceed five (5) days without approval by the VP of Learning & Student Success.

Article XIX: Evaluation of Academic Employees

- A. The purpose of Tenured Faculty Evaluation shall be to provide for continued development and growth of academic employees and the instructional programs available to students of Community College District No. 18. Faculty who are due for evaluation will be notified by the Vice President of Learning & Student Success before the end of spring quarter the year before evaluation.
- E. Each year in September, a committee will be formed consisting of all tenured faculty members due for evaluation in that academic year. The committee shall also consist of the supervising Dean/Director who have faculty undergoing evaluation. The Tenured Faculty Evaluation Form must be submitted to the Tenured Faculty Evaluation Committee for approval no later than the second week of winter quarter of the evaluation year. The plan should indicate which of the six (6) areas listed above will be addressed, what activities will be undertaken related to each area, and how that activity is likely to benefit the faculty member, students, and the college. It is the responsibility of the Tenured Faculty Evaluation Committee to review each plan submitted to ensure that it meets the above requirements.
- H. During the Tenured Faculty Evaluation, it is the responsibility of each faculty member participating in evaluation to carry out his or her plan and to compile relevant documentation related to each area of the plan. A progress report should address each area of the plan, the activities tied to each area, and the results of those activities including any relevant documentation. The committee will meet before the end of spring quarter to discuss the progress of their plans.
- I. By May 31 of the evaluation year, each faculty member participating in Tenured Faculty Evaluation will submit the Tenured Faculty Evaluation Progress Form to the Vice President of Learning & Student Success. After the report is reviewed by the

Vice President of Learning & Student Success, it will be forwarded to the Human Resources Office for inclusion in the personnel file. - D. The supervising dean or the VP of Learning & Student Success may provide an academic employee with a letter of expectation/direction. Such letters are not considered a step in the progressive discipline process and will not be placed in the employee's personnel file. Letters of expectation/direction will be retained by the supervising dean or VP of Learning & Student Success until such time as the issue

has been corrected, not to exceed twelve (12) consecutive months from the date the letter was issued.

E. Sufficient cause shall include but not be limited to the following enumerated grounds:

1. Failure to maintain certificates and licenses required by the position may invalidate the employment contract. All certificates and licenses required of an academic employee for their position will be consistent with the job announcement at time of hiring.

Should an academic employee lose a required certification or license, the appointing authority or their designee will explore with the academic employee, their Division Chair, Dean, and Vice President the possibility of restoration of the license(s) or certificate(s). This restoration shall occur within a six-month period from the date of the loss of the license(s) or certificate(s), or within the time of allowable use of accumulated sick leave should loss be due to a health related issue (whichever is longer). Consideration will be given to temporary reassignment or any additional time needed to reacquire said credentials.

Requirements for all employees in a given area may change as professional certifications and requirements evolve in the industry. These changes will be recommended to the appointing authority for action after consultation between the appropriate administrator and the Division Chair. Affected faculty will have input in working out timeline and procedure for obtaining new licensing or certifications.

2. Aiding and abetting or participating in:
 - a. Any unlawful act of violence or incitement to violence.
 - b. Any unlawful act resulting in the destruction of community college property.
 - c. Any unlawful interference with the orderly conduct of the educational process.

F. Procedure for Discipline/Dismissal for Sufficient Cause

1. The supervising Dean or Vice President shall review all matters regarding discipline/dismissal for cause of a tenured faculty member or probationary faculty member prior to the expiration of such probationary faculty appointee's employment term.
2. If discipline is deemed appropriate by the supervising dean or the VP of Learning & Student Success, it shall only be for sufficient cause and shall be progressive as applied to the specific facts of the case involved unless the severity of the violation by the employee warrants omission of some steps or waiving the steps entirely. The academic employee shall be notified, in writing, of the disciplinary action being taken. Steps in the progressive discipline process include the following:
 - a. Verbal Warning with Written Confirmation of the warning to follow within five (5) work days of the issuance of the verbal warning.
 - b. Written Warning
 - c. Suspension with or without Pay
 - d. Dismissal
3. Disciplinary actions will be placed in the personnel file for up to three (3) years and removed thereafter at the written request of the employee. The employee has the right to file a rebuttal to be included in the personnel file along with the disciplinary action. Any such written rebuttal shall remain attached to the disciplinary action in the personnel file.
4. In the event the supervising dean and the VP of Learning and Student Success have cause to believe that suspension with or without pay or dismissal should be taken against an academic employee, they shall advise the President, and if the President deems a sufficient cause exists, shall discuss the matter with the individual faculty member involved within ten (10) working days. The President has ten (10) working days from having the meeting with the faculty member in which to initiate charges. If the President deems sufficient cause exists, a formal charge will be brought against the faculty member in the following manner:

- a. A letter over the signature of the President will be sent to the faculty member when a charge of discipline or dismissal for sufficient cause is made.
 - b. Copies of this letter will go to the appropriate Division Chair, the Chair of the Professional Rights and Responsibility Committee, and the President of the Faculty Association.
- 5. In the event of a dismissal or a contested disciplinary action, a hearing committee as defined in Article II, shall convene.
- 6. The hearing committee shall, after receiving the written charge from the President, establish a date for a hearing giving the faculty member so charged twenty (20) working days' notice of such hearing.
- 7. The hearing committee shall:
 - a. Hear testimony from all interested parties, including but not limited to, other faculty members and students and receive any evidence offered by same.
 - b. Afford the faculty member whose case is being heard the right of cross examination and the opportunity to defend him/herself and be accompanied by both a personal advisor and legal counsel, provided that if the faculty member is represented by legal counsel, the College may be represented by appropriate legal counsel.
 - c. Make a recommendation based exclusively on the evidence produced at the hearing to the President as to whether there is sufficient cause to believe that the faculty member did in fact perform the conduct which justifies discipline or dismissal.
 - d. Promptly and forthrightly prepare recommendations as to the appropriate action to be taken.
 - e. Prepare an informal record of the proceedings before the hearing committee and make the same available to the accused faculty member, and the President. For the purpose of making a record of formal proceedings of the hearing committee, an informal transcription of a tape recording of the hearing will be sufficient.

the rights of the complainant and the respondent are protected as prescribed by federal law.

- G. **Summary Suspension:** The President, or in their absence any officer of the College designated by the President for this purpose, may impose upon any member of the faculty an interim suspension whenever there is reasonable cause to believe that such person has committed and may reasonably be expected thereafter to continue to commit violent or disruptive acts which disrupt the orderly process of the College.

The notice of such suspension shall be in writing and state the nature, terms, and conditions of such suspension, and shall include such restrictions on the use of campus facilities as the President or their designee deems in the best interest of the College.

Any person so placed on interim suspension shall be given prompt notice of charges and shall be given the opportunity to show cause at a preliminary hearing why such interim suspension should not continue until a formal hearing is held or for a period of not more than twenty (20) work days, whichever first occurs. To obtain such a preliminary hearing the person so charged shall submit a written request within four (4) work days from the date the interim suspension was imposed. Such written request shall state the address to which the notice of hearing is to be sent. Faculty members requesting a preliminary hearing shall appear before the review committee as defined in Article II.

1. The review committee shall convene a preliminary hearing not later than five (5) workdays from the date of receipt of such request and shall immediately mail a written notice of the time, place and date of such hearing to the person so charged. A preliminary hearing shall consider only whether there is reasonable cause to believe that such a person may reasonably be expected thereafter to commit violent or disruptive acts which disrupt the orderly process of the College.
2. In a case where the review committee finds that just cause has been demonstrated to initiate an interim suspension, the hearing committee shall schedule a formal hearing which must be held within twenty (20) calendar days from the date of receipt of the recommendation of the review committee which heard the preliminary hearing. Notice of the formal hearing shall immediately be mailed to the person so charged stating the time, place and date of such formal hearing.
3. Interim suspension may be removed by the President upon recommendation of the review committee or whenever the President has reason to believe that the reasons for imposition of the summary suspension no longer exist.

- H. The dismissal hearings provided above in Sections D and E shall be brief adjudicative proceedings conducted pursuant to Chapter 34.05 RCW, the Administrative Procedures Act.

Article XXVII: Faculty Enrollment in College Classes

Faculty members may take courses during any quarter with prior approval of the appropriate Vice President or the supervising Dean. Application of such credit for Professional Development Units (PDUs) will be subject to the provisions of Article XV.B.1.h.

Article XXVIII: eLearning

A. Training and Support

1. The College will provide adequate initial and ongoing training and support to Academic Employees to develop and successfully deliver eLearning courses, e.g. "Quality Matters."
2. Academic Employees teaching online or hybrid classes must successfully complete training in online course methodology and delivery prior to teaching an eLearning class. Exceptions may be granted by the supervising dean or the eLearning Coordinator.
3. The college will provide adequate initial and ongoing training and support for Academic Employees to develop and successfully deliver eLearning courses.
4. The college will provide the necessary equipment and infrastructure to successfully deliver eLearning courses from campus. Any infrastructure required to deliver eLearning courses from an Academic Employee's home or other remote location will not be provided or supported by the college.

B. Academic Employee Responsibilities

1. Full-time faculty teaching e-learning courses are expected to be professionally available and maintain a substantial level of contribution to the campus community (students, staff, and administrators) comparable to peers teaching face-to-face courses. They must continue to meet all college governance/service obligations and maintain face-to-face office hours on campus proportional to their face-to-face teaching load.
2. Workload expectations for part-time faculty teaching hybrid and online courses are the same as face-to-face courses unless otherwise noted in Section C.

C. Quality and Evaluation

1. eLearning courses are governed by the same standards, policies, and procedures as face-to-face courses.
2. eLearning courses are expected to achieve the same learning outcomes as their face-to-face counterparts as stated in the Master Course Outline.
3. eLearning courses will be evaluated on the same criteria as face-to-face courses with regard to competence and effectiveness of instruction. Additional criteria may be added to evaluations to address the eLearning delivery mode.
4. Instructors teaching eLearning courses are not required to respond to student inquiries on weekends or at night, but are expected to respond promptly to all student communication and to make their communication policies clear to students via the course syllabi.
5. The College and the Faculty will mutually develop, establish, and maintain minimum standards and best practice guidelines for online instruction and regular and substantive interaction. Regular and substantive interaction is defined in Appendix F.

D. Course Development and Approval

When a new or existing course is selected to be developed as an eLearning course, current BBCC Academic Employees in the program or area for which the course will be offered shall be granted the first opportunity to develop the course. Preference will be given to full-time Academic Employees who request to develop the course and have taught the face-to-face version in the last academic year. If no full-time Academic Employees wish to develop the course, the development opportunity may be offered to a part-time Academic Employee in consultation with the affected program or area. The developer of a course has the right of first refusal the first time the course is offered.

Article XXIX: Intellectual Property

There are three categories of intellectual property that may be produced by an Academic Employee while employed by BBCC: sole ownership by the College, sole ownership by the employee, and joint-ownership by the College and the employee. Conditions or restrictions on intellectual property rights contained in sponsored grants, contracts, or other awards are binding on the College and faculty.

A. Sole-ownership by the College

1. Master Course Outlines, syllabi for individual classes, and grades are always the property of BBCC.
2. Written materials, creative works, multi-media materials, and products developed by an Academic Employee who is either employed under special contract with BBCC to produce the work, or who utilizes BBCC resources for the majority of the work and without which the project cannot be completed, become the sole property of BBCC. BBCC resources are state resources provided to conduct official duties, activities reasonably related to the conduct of official state duties, activities related to state employment, and activities otherwise allowed by statute.

B. Sole-ownership by the employee

Written materials, creative works, multi-media materials, and products developed by an Academic Employee without the use of BBCC resources, will be the property of the employee. Use of these materials in a BBCC class for instructional purposes or while working with students does not confer ownership to the College. Faculty may not receive royalties for books and/or products they have developed if the book and/or product is required to be used in a course they are teaching.

C. Joint-ownership

Written materials, creative works, multi-media materials, and products developed by an Academic Employee using some combination of BBCC resources and employee-owned resources may be considered jointly owned by the College and the employee. Neither can prohibit the other from using the materials. Joint-ownership shall be established under written agreement prior to the start of work. The agreement will outline the division of any monetary benefits for each party.

- D.** No course or elements of a course shall be intentionally recorded or copied without the knowledge and consent of the academic employee. The college will maintain courses and recordings for at least two (2) quarters beyond the quarter in which the course was taught. At that point faculty may request the course and/or recordings be deleted. The College will comply with such request, except in the case where the academic employee has been compensated by stipend to produce the course, elements of a course, or recordings, or by other explicit arrangement. Materials may be kept beyond two (2) quarters if those materials are needed for an active grievance or complaint, in which case they will be kept for a period of time as defined by state rules and regulations.

Article XXX: Curriculum Development

- A. Every effort shall be made by the Instructional Council to ensure that the curriculum remains flexible enough to meet the needs of all students, current and prospective, including academic transfer, workforce education, adult education, and developmental education.
- B. Each instructional department bears primary responsibility for its curriculum and the continuous evaluation of that curriculum.
- C. Final approval of course offerings (curriculum) lies with the Vice President of Learning & Student Success, in conjunction with the Instructional Council (IC).
- D. The College will allocate a minimum of \$6,000 annually for curriculum stipends during the annual budgeting process. These funds are to be managed by Instructional Council (IC). Faculty who wish to apply for curriculum stipend funding to make substantive changes to their curricula will complete and submit an application to Instructional Council two months prior to beginning the changes. The application will include identified changes, justification for the changes, and anticipated time needed to make the changes.
 - 1. A substantive change may involve a change in course title, and/or number, and would normally involve the addition or revision of one-half (1/2) or more of the content, and/or the development and incorporation of new pedagogy involving one-half (1/2) or more of the course presentation.
- E. All curriculum development, new courses or substantive changes to existing courses, which involves a request for funds managed by IC must be approved in advance by IC. All materials will be reviewed by the Division Chair and the supervising dean before being submitted to IC. Funding allocated for curriculum development by the IC, will be payable upon completion and approval of the new curriculum by the IC.
 - 1. New courses will be paid a stipend of \$1,500. For payment, new courses will require a MCO successfully passed through IC, a syllabus, an assessment plan, sample assessments, and a detailed outline of the course structure and content.
 - 2. Substantive changes will be paid a maximum stipend of \$750. For payment, substantive changes require any changes to the MCO to successfully pass through IC, a revised syllabus, a revised assessment plan, and a detailed outline of changes to course structure and/or content.
 - 3. Intellectual property rights apply to this section.

Article XXXI: Committees

- A. Active participation in committee work is an essential part of the governance responsibility of all academic employees. Committees, which require or invite academic employee participation, should be clearly identified as to their purpose, their composition, their duration if not continuing, and critical timelines to be met if the committee is to fulfill its responsibilities. To maintain a consistent distribution of responsibilities a process of committee formation is desirable. Consequently, the negotiated agreement recognizes three types of committees as defined below. The three types of committees that are recognized are temporary committees, standing committees, and negotiated committees.

Complete minutes of all committee meetings shall be maintained, including members in attendance, issues discussed, actions taken, and a copy of all materials presented for discussion.

1. **Temporary committees.** The College President forms temporary committees for a specific purpose and for a short period of time. These committees are formed for the purpose of completing a study or project necessary to achieve a clearly defined goal of the college. They may have faculty, staff and/or administrative representation. They are formed when the president needs faculty and staff input and/or advice on particular issues and will continue until the committee assignment is complete. Upon formation, expected timelines, purpose and outcomes will be identified and discussed with the President's Cabinet.
 - a. The president's cabinet will review the formation of all temporary committees.
 - b. When considering the formation of a temporary committee the president's cabinet should consider the following:
 1. The purpose of the committee should be clearly defined and the outcomes that are expected should be clearly outlined.
 2. The number of faculty members, staff, and administrators that will serve on the committee.
 3. A basic time frame for the committee to complete its work.
 4. Are there currently existing committees whose purpose already covers the stated purpose a temporary committee.
 - c. The Faculty Association President will assign the faculty members on temporary committees. The College President will appoint committee representatives other than faculty.

- d. The tenure of a temporary committee shall be determined by the College President for a specific period of time generally not to exceed two calendar years. After completing its charge, the temporary committee disbands. If it is deemed that the work of the temporary committee should be continued past its designated expiration date, it may be converted to a standing committee as noted in Item 5.
- 2. **Standing committees.** Standing committees include those identified in the WAC, Board Policy, and the Administrative Procedure. These committees have been formed to help provide governance of the institution.
 - a. All standing committees should be clearly defined in the AP manual. This definition should include a short description of the responsibilities of the committee and specify the number of faculty members included on the committee.
 - b. Faculty members will be assigned by the Faculty Association President to all current standing committees and approved by the faculty at the first Faculty Association meeting during the first week of the academic year.
- 3. **Negotiated committees.** Negotiated committees are those committees deemed necessary by the faculty and the administration for the proper functioning and governance of the institution. They are defined in the Negotiated Agreement.
 - a. All negotiated committees should be clearly defined in the negotiated agreement. This should include their purpose and composition.
 - b. It should be clearly stated how many faculty members serve on the negotiated committee.
 - c. The Faculty Association President has the authority to assign faculty members to negotiated committees when these committees are required.
- 4. An official list of all committees/workgroups/taskforces, their purpose and composition, will be kept in the president's office as part of the AP manual. Copies will be available in the instructional dean's office for easy reference. The Faculty Association President will keep a copy for reference when assigning faculty to committees.
- 5. Prior to the first Faculty Association meeting of the academic year, the Faculty Association President and Vice President will meet with members of the administration to review the purpose and the membership of the

Standing Committees. This group will identify those committees/workgroups/taskforces that are no longer required or functioning and recommend their disbandment to the president. If desirable, they may also recommend conversion of temporary committees/workgroups/taskforces to standing committee stature.

6. At any time, subcommittees can be formed consisting of members of any existing committees/workgroups/taskforces to study an issue regarding the work of the super-committee. This committee is not considered different from the super-committee and will report back to the super-committee.

Article XXXII: Assessment

- A. The function of the College Assessment Committee is to work in conjunction with the Vice-President of Learning & Student Success, the Institutional Research Office, the Instructional Deans, and the Dean of Student Services in the on-going assessment program of Big Bend Community College. The purpose of assessment is to assess student learning and the achievement of outcomes, evaluate programs and the institution, to insure the programs are current in their content and offerings, are meeting student needs, and are consistent with the mission and goals of the college.
 1. The duties of the committee include:
 - a. to aid in the identification, implementation and evaluation of the instructional programs;
 - b. to assist divisions, departments, and instructors in their assessment efforts;

 2. The duties of individual members of the Assessment Committee are:
 - a. to serve as the liaison between the committee and their respective divisions;
 - b. to serve as the leaders of their division's assessment efforts;
 - c. to provide input into assessment reports.
- B. Each department, division or area (counseling or library) has the responsibility of developing, implementing and evaluating an assessment plan pertinent to their area. These plans are created with the assistance of the Assessment Committee through the division representative.

Assessment plan means measurable course, program and degree, and institutional (e.g. general education) learning outcomes consistent with program purpose and college mission and goals; tools to measure the outcomes, and a schedule for the use of the assessment tools. The annual assessment plan for the coming year is due and must be posted to the designated location by the end of the first contract week of fall quarter.

Assessment report means a written report on assessment of student learning results and how those results were used for course or program improvement or modification. The report can support future budget requests, resource allocation, and recommendations for institutional improvements. The report on assessment results from the current year is due and must be posted to the designated location by the last contract day of spring quarter. If there is a delay in completing the plan and/or report, the department responsible for completing the report will notify the appropriate Dean and the VP of Learning & Student Success, in writing, explaining the delay and establishing a new due date for completion of the plan and/or report.

- C. All instructional divisions of the college will be represented on the College Assessment Committee. The committee will include one faculty member from each division, including one member from the English and Math departments (who may also be the respective division representative), and one counselor. The Dean of Institutional Research and Planning will serve on the assessment committee.

The President of the college may appointment up to two (2) exempt staff to the committee to represent other college departments that assess student learning or staff from instructional departments that do not have a full-time faculty member.

The President of the college may appoint up to four (4) administrators to the committee in addition to the Dean of Institutional Research and Planning. At the end of the spring quarter of each academic year, each division will select one of its members to serve as their representative on the College Assessment Committee. The President of the College and the Faculty Association President will each be notified of next year's members by the end of the current academic year.

- D. The Chair of the College Assessment Committee is a faculty member and is recommended by the committee and is paid a stipend for this duty. (Refer to Article XIV D). The term of the Assessment Committee Chair shall be from September 1 through August 30. The work schedule for the summer will be established by the Assessment Chair for the purpose of completing the "annual summary report."
- E. In cooperation with the VP of Learning & Student Success, the duties of the Assessment Committee Chair are:

4. To serve as liaison between faculty and administration on assessment issues.
5. To provide an annual summary report on assessment of student learning related to institutional (i.e. general education), program and degree, and course learning outcomes. This report is due by August 30 of each year.

Article XXXIII: Instructional Program/Department Review

- A. The Board shall be deemed to have authority to continue, reduce, modify, or eliminate any instructional program and to layoff academic employees, because of budgetary reasons, change of instructional program, lack of students, or continued pattern of low enrollment.
 1. Evaluation of programs for change of instructional program may include but is not limited to:
 - a. enrollment, trends in enrollment, and the effect of enrollment on the department or program;
 - b. needs of current and prospective students and the ability of the program to meet those current educational needs;
 - c. current and anticipated service needs of the district including college staffing needs taking into consideration retirements, resignations, and professional and other leaves;
 - d. information concerning faculty vacancies occurring through retirement, resignation, and professional and other leave;
 - e. changes in education mission and goals as determined by the Board of Trustees;
 - f. training needs of local industry in the district.
 2. The review process in this Article does not apply to the reduction-in-force provision in Article XXXIV.
 3. If the Vice President of Learning & Student Success has reason to believe that it may be necessary to significantly modify, reduce or eliminate an instructional program/department, they shall call together a program review

committee. The committee consists of the Vice President of Learning & Student Success or their designee, an administrator, the Chair of the affected division, three tenured academic employees not from the affected program (appointed by the Faculty Association President). In the event the Division Chair is from the affected program, the division shall select an alternate tenured academic employee from the division but not from the affected program/department to represent them on the committee. If no other tenured academic employees are in the division, or it is a single program/department division, a tenured academic employee from outside the division will be selected by the members of the division. In order to provide student input to this process, the committee shall design a survey to be given to a representative sample of students.

The written notice of the review shall identify the program/department under review and the reason(s) for the review. The notice shall be hand-delivered to the President of the Faculty Association and each full-time academic employee of the affected program/department. Delivery of the written notice constitutes a formal request for the appointment of academic employees to the committee.

This committee shall be called to order within five (5) working days following the call for a program review by the Vice President of Learning & Student Success, provided that no meetings regarding program/department review of a specific program will be scheduled outside the academic year as defined in the negotiated calendar, unless specifically agreed to in writing by the Faculty Association President.

Committee appointments and committee meeting times must be accomplished according to schedules noted in this Article and/or agreed to in committee. All committee members have the obligation to attend every meeting in order to fully participate in the program review process. At least five of the six committee members (a quorum) must be present for all meetings. All committee recommendations shall be determined with a roll call vote recorded in the minutes.

- a. The program review committee, chaired by one of the administrators, shall hold meetings to determine whether the program/department in question should be continued, modified, reduced or eliminated. The affected faculty member(s) or their representative may present information relevant to the program review process either in writing, or in person at designated committee meetings. The committee shall submit its recommendation to the President within 60 calendar days of the first meeting. Upon mutual agreement between the College President

and the Faculty Association President the recommendation deadline can be extended.

- b. To assist in its determination, the committee may request a program audit by outside agencies.
 - c. The President shall submit their recommendation and the recommendation of the committee to the Board at the next regular or special Board meeting, excluding meetings that may be scheduled outside the academic year as defined in the Negotiated Calendar. Academic employees from the affected program/department shall have copies of both the committee's and the President's recommendations, and the right to present their testimony to the Board at this time.
 - d. The Board may take up to two consecutive meetings (regular meetings or special meetings or a combination thereof) to render its decision. If the decision is carried over to a second Board meeting, academic employees from the affected program/department have the right to testify at this meeting also. The Board may decide to continue the program/department by concluding the review with no changes. They may request additional information about the program/department whether or not they conclude the review process. They may modify, reduce, or eliminate the program/department. All affected parties, including program/department academic employees, committee members, division chair, dean, Vice President of Learning & Student Success and Faculty Association President, must be notified in writing of the Board's decision within three working days after the meeting at which it is made.
4. If the Board decides to reduce or eliminate the program/department, the review committee shall be reconvened by the third work day (including Friday) after the Board meeting at which the decision is made, to consider whether any tenured academic employee positions should be eliminated. Affected academic employees have the right to testify during these considerations.
- a. If the committee recommends that tenured academic employee positions should be eliminated, it shall first determine whether affected academic employees can be reassigned within the College, according to minimum standards for hiring set by Big Bend Community College policies and procedures, and then, if necessary, they shall recommend layoff of personnel in accordance with seniority procedures in Article XXXIV, sections D and E. All committee recommendations shall be determined at a committee

meeting with a quorum in attendance, with a roll call vote recorded in the committee minutes. The review committee shall make its recommendation to the President no later than ten working days after it has been reconvened. Failure of a quorum of the review committee to meet according to schedules noted in this Article and/or agreed to in committee shall not invalidate the program review process. Under this circumstance, at the discretion of the Vice President of Learning & Student Success, the review process can be extended for the equivalent amount of time lost in order to complete the committee's work.

- b. The President shall notify the affected academic employee(s) and the Faculty Association President of their decision within three (3) working days after receiving the committee's recommendation. The notice shall contain a statement as to whether the nonrenewal is required due to budget reasons, a change of instructional program, lack of students participating in a particular instructional program, or any combination thereof.
- c. The President shall submit a recommendation to the Board at the next (regular or special) Board meeting. Academic employees who have been notified of layoff have the right to present their testimony to the Board at this time.
- d. The Board may take up to two consecutive meetings (regular meetings or special meetings or a combination thereof) to render a decision. If the decision is carried over to a second board meeting, interested parties have the right to testify at this meeting also.
- e. Any tenured academic employee laid off under provisions of this Article shall have all rights enumerated in Article XXXIV, section F.
- f. Any layoff will be effective at the end of the current academic year providing the Board made its initial decision on layoff (as described in 2c above) by the last contract day of winter quarter as defined in the Negotiated Calendar.

Article XXXIV: Declaration of Emergency/Reduction-In-Force for Full-Time Academic Employees

- A. **Declaration of Financial Emergency.** The Washington State Board for Community and Technical Colleges (SBCTC) can declare a financial emergency pursuant to RCW 28B.50.873. In the event the SBCTC and the BBCC Board of Trustees declare a financial emergency, the provisions of RCW 28B.50.873 govern a reduction-in-force.

1. **Budget Review Task Force.** For the purpose of providing a continuous flow of information concerning the budget to faculty, classified staff, students, and administration of the College, and for the purpose of monitoring the possibility of a financial crisis in the district, there shall be a budget review task force. The budget review task force shall consist at a minimum of the Vice President of Finance & Administration (Chair), Division Chairs, plus two members of the classified staff and one member of the exempt staff. The task force shall meet at the call of the Chair not less than once each quarter during the academic year. A plan to meet the emergency shall be provided to the President's Cabinet and the Faculty Association officers.
2. **Reduction in Force** deemed necessary under the procedures of this article is to be considered a temporary financial emergency due to any of the following reasons:
 - a. A significant inadequacy of operating funds to the district, or
 - b. A significant inadequacy of funds specified for a designated existing program or service.

B. Determination of Need for Reduction-in-Force

1. Identification of Financial Emergency:
 - a. When the President becomes aware of any situation which may constitute a financial emergency, the President shall notify the Faculty Association president. This notice shall be in writing and shall include a statement explaining the financial emergency which may necessitate a Reduction-In-Force.
 - b. The president, vice presidents, and appropriate deans shall meet with the Faculty Association officers regarding the financial situation. The meeting(s) shall include exchanges of information which will establish the need for such reductions in academic employees, together with any alternatives or options which either party feels are available.
2. The final determination for the need for a Reduction-In-Force of an academic employee shall be made by the President. At the time a decision is made for a Reduction-In-Force of academic employees, full consideration shall have been given to appropriate reductions of classified and administrative/exempt employees.

C. Determination of Comprehensive Educational Services

1. If the number of academic employees is to be reduced, the Vice President of Learning & Student Success, Deans, and Division Chairs shall evaluate, in the case of each seniority unit, which programs, course offerings and/or other academic employee services are most necessary to maintain a comprehensive educational program at the District. Their recommendations will be made to the College President and the Faculty Association President. Consideration shall be given, but not limited to, the following factors:
 - a. State of Washington law, directives, and guidelines;
 - b. The enrollment and the trends in enrollment and their effect upon each seniority unit;
 - c. The stated goals and objectives of Big Bend Community College;
 - d. Total instructional program at Big Bend Community College;
 - e. Size of division/department in terms of number of instructors;
 - f. Number of academic employees teaching similar subjects;

1. If the number of academic employees is to be reduced, the President will, in consultation with the Vice President of Learning & Student Success, Dean, and Faculty Association President, decide in which seniority units such reductions may occur. The President will utilize the appropriate unit seniority list to determine which academic employees may potentially be laid off.
2. The Vice President of Learning & Student Success, in consultation with the appropriate Dean, Division Chair, and Director (if applicable), will decide which duties can be eliminated and which must be reassigned. They will then decide which duties can be reassigned within the seniority unit. If

there are duties which cannot be reassigned within the seniority unit, this group will explore which of these may be reassigned to other qualified full-time academic employees of the institution. The final decision on duty reassignment will be made by the Vice President.

2. Academic employees who have been laid-off as a result of this Article shall have the right to be recalled. If a full-time academic employee position becomes available, recall shall be in order of seniority for any academic employee who is qualified. The period of recall shall extend to September 1, three (3) years after the effective date of layoff. The President shall notify all appropriate academic employees who are on layoff status not less than twenty (20) calendar days before a decision is to be made to fill a position. Once a position is offered, the employee will notify the President within one calendar week if they intend to accept the position.

7. If an individual on layoff status declines an offer to return to their original position, they will be removed from the layoff list.

Article XXXV: Grievance Procedure

- A. **Purpose.** The purpose of this procedure is to provide a means for the orderly and expeditious adjustment of grievances of the Faculty Association and/or individual academic employee of Community College District No. 18.

- B. **Definition.** A grievance shall be defined as a written statement by the grievant that a dispute or disagreement exists involving interpretation, application or violation of specific term(s) of the Negotiated Agreement. The grievance complaint must describe the allegation, cite the specific article and/or section(s) of the Negotiated Agreement or Board policies claimed to have been violated, misinterpreted, or misapplied, and the remedy sought. Nothing contained herein shall be construed as limiting the right of any academic employee having a complaint to discuss the matter directly with any member of the administration and to have the problem adjusted without the intervention of the Faculty Association. A grievant may be represented at all stages of the grievance procedure by themselves or at their option by a representative of the Faculty Association. The Faculty Association has the right to have a representative at all grievance meetings.
- C. **Grievance Process.** Grievances shall be processed as rapidly as possible. The grievant shall make their grievance known within thirty (30) business days of the alleged incident, or when they should have been reasonably aware of the incident. Failure of the grievant to meet time limits constitutes a waiver of the grievance at any step in the process. Time limits imposed by procedures may only be extended by mutual agreement of the parties involved.

To the extent that time limits are expressed in days, the days shall consist of business days, unless otherwise specified.

- D. **Step 1:** An academic employee with a grievance shall discuss it first with the immediate supervisor, or the next level supervisor if this is not possible. The academic employee may be accompanied by a member of the professional organization. Every effort shall be made to resolve the grievance at this level in an informal manner. The supervisor will respond in writing to the academic employee and the Faculty Association within ten (10) business days of the meeting.
- E. **Step 2:** If no settlement is reached at Step 1, the written grievance may be submitted to the President or designee within ten (10) business days of the receipt of the Step 1 decision. The President or designee will meet with the grievant(s) within ten (10) business days following receipt of the grievance and will respond in writing to the grievant(s) and the Faculty Association within ten (10) business days of the Step 2 meeting.

Failure of the President or designee to respond within the time limit in Step 2 shall move the grievance automatically to Step 3.

- F. **Step 3:** If no settlement is reached in Step 2, the written grievance may be submitted within ten (10) business days to the Board. Upon receipt of the written grievance, the Board shall convene an executive session at the next regular or special Board meeting. At the executive session the grievant and the Board shall attempt to resolve the grievance. Representatives of the Faculty Association and

administration may be present at this meeting. The Board shall send its written determination to the grievant within ten (10) business days of the Step 3 meeting.

If the grievant and Association concurs with the Board's written determination, the recommendation of the Board shall be implemented as the remedy to the grievance.

- G. **Step 4:** If no settlement is reached in Step 3, the Faculty Association may, at their sole discretion, submit the grievance to final and binding arbitration as defined in Section H. The Association President, may by written notice to the President within twenty (20) business days of the receipt of the Step 3 decision, submit the grievance to such arbitration. The parties to the arbitration agree to accept the arbitrator's award as final and binding upon them. Upon rendering a decision, the arbitrator may retain jurisdiction until such time as the award is completed. The arbitrator shall not have any power to modify or disregard any of the terms and conditions of the Negotiated Agreement. See Article XX, Section H.3 regarding awarding of tenure, and continuation of probationary status.
- H. **Arbitration.** Matters subject to arbitration shall be referred to the American Arbitration Association through a joint request for a list from which an arbitrator will be selected using a striking process. Only grievances which involve an alleged violation by the employer of a specific section or provision of this agreement which are presented to the employer in writing during the term of this agreement and which are processed in the manner and within the time limits herein provided shall be subject to arbitration. Upon request of either party, the substantive and procedural arbitrability issues arising in connection with the grievance shall be ruled upon by the arbitrator prior to hearing the merits of the grievance. Hearings and other procedural matters shall be in accordance with voluntary rules of the American Arbitration Association.
- The costs for the services of the arbitrator, including per diem expenses and their travel and subsistence expenses and the cost of any hearing-room, other than at the college, will be borne equally by the Board and the Faculty Association.
- I. **Confidentiality and Grievance Records.** All matters pertaining to specific grievances shall be confidential information and shall not be unnecessarily or indiscriminately related, disclosed, or divulged by any participant in the grievance process or by any employee or official of the College. All documents, communications and records dealing with grievances and their adjustment shall be filed separately from the grievant's personnel file, and upon expiration of the statute of limitations for the initiation of any further legal action, shall be destroyed, with the exception of a record of the grievance and final adjustment thereof.
- J. **Freedom from Reprisal within the Law.** Individuals involved in the grievance procedure, whether as a grievant, a witness, a representative of the Faculty Association, or otherwise, shall not suffer any restraint, interference, discrimination,

coercion, or reprisal as a result of any legal participation in the grievance procedure.

- K. **Assistance in Investigation.** During the course of any investigation of a properly filed grievance, the parties shall cooperate and furnish such information as requested in accordance with this procedure.
- L. Matters for which another method of review is required by law shall be excluded from this grievance procedure.
- M. A grievant may withdraw the grievance at any level. In any event, the withdrawal of a grievance shall not constitute a precedent which may affect any similar case(s) occurring thereafter.
- N. On matters pertaining to the interpretation of this agreement, the Faculty Association may begin this procedure at Step 2 of this agreement.
- O. All days in the grievance article are defined as business days that the college is open to the public, excluding Christmas and spring breaks unless mutually agreed to by the parties.

The meeting shall be called by the Faculty Association President and shall occur no later than February of each negotiating year.

Article XXXVII: Labor Management Committee

- A. **Purpose.** A Labor Management Committee (LMC) shall be formed for the purpose of maintaining communications in order to cooperatively discuss and resolve problems of mutual concern to the parties. 3. Expression of employee's views or suggestions on subjects of interest to faculty.
4. Recommendations on health and safety matters relating to faculty.
5. Items that are subject of an active grievance are not eligible for discussion by the Labor Management Committee.

The LMC will be used for discussions only and the Committee will have no authority to conduct any negotiations, bargain collectively, or modify any provision of the Agreement. Committee activities and discussions will not be subject to the grievance procedure.

Nothing in this section shall be construed to obligate either party to modify, limit, restrict, or reduce its rights or prerogatives as outlined elsewhere in the Agreement.

B. Representation. The LMC will consist of the following:

1. The Faculty Association President
2. A member of the Faculty Association negotiating team
3. One (1) faculty member selected by the Faculty Association President

- A. This agreement shall become effective at the time it is acted upon by the Board in a regular or special meeting of the Board and shall become part of the official proceedings of said Board meeting. This agreement shall be in full force and effect July 1, 2022 following its approval unless otherwise provided and shall remain in effect through June 30, 2024.

- C. This agreement replaces all previously negotiated contracts, policies, and agreements between the Board and the Faculty Association.
- D. **Zipper Clause.** The College and the Faculty Association, for the duration of this agreement, each voluntarily and unqualifiedly agree to waive the obligation to negotiate with respect to any subject or matter covered in this Agreement and bargaining process, unless mutually agreed otherwise.

This Negotiated Agreement is full and complete and supersedes all previous agreements both written and oral. This Negotiated Agreement covers all permissible variations of each negotiated item and there are no other variations of negotiated items permissible which are not discussed in this agreement. On those items that are not part of the Negotiated Agreement the board, or the administration acting in their behalf, reserves the right to make those decisions necessary to carry out the functions of the institution. APPENDIX A: Instructor Loads

Article XIV, A.3 1998-99 Negotiated Agreement
As identified in Article XII: Instructor Loads

A regular full-time teaching load is made up of day classes offered between 8:00 a.m. and 5:00 p.m. An evening class may be included within the full-time teaching load if the day teaching assignment is less than full-time. An evening class shall not be assigned to an instructor as part of a full-time teaching load without prior consultation and consent.

APPENDIX B: Development and/or Publication of Research Materials

Although the community college is not normally recognized as a "Research Institution," faculty are encouraged to conduct research and/or develop professional materials, e.g. textbooks, tests, computer programs, that will enhance their position/role as instructors and/or provide for the development of commercially acceptable materials for distribution or marketing.

Recognizing that professional research, while serving as a full time faculty member, is a cooperative effort between the instructor and the Community College District No. 18, all finished products, i.e. ownership of said products, are subject to the procedures, policies, administrative code, or laws (RCW) of the State of Washington. Therefore, any faculty member undertaking research or the development of materials should proceed as follows:

- A. Present a written proposal to the appropriate administrative officer outlining the project (time, materials, cost, student participation, etc.).
- B. Determine if the project/material is for in house consumption and sale or for commercial marketing.
- C. Identify publishers for commercial sale.
- D. Negotiate, agreeable to all parties concerned, an appropriate division of cost and/or royalties.

Upon review and recommendation by the administrative officer (Vice President for Instruction/Student Services), the proposal and all available materials are to be submitted to the President. If, in the President's opinion, the project is within the parameters of institutional needs, a formal contract between all parties will be submitted to the Board for approval. If the project is approved by the Board, the faculty member may proceed.

Failure to achieve approval will eliminate the faculty member's opportunity to use District equipment, students in attendance, and/or contracted time normally reserved for teaching, office hours, etc. for developmental efforts.

Any violation of the aforementioned procedure may eliminate future developmental efforts and/or provide for disciplinary action being taken. Consult with the appropriate administrator for direction.

*Dependent on programming needs, BBCC may seek or be required to meet accreditation requirements of other agencies. If, in fact, accreditation is sought by the college in any area not already held, the instructors involved will participate in the review and application process.

APPENDIX D: Procedure for Reporting Absences

Faculty are required to notify the college when unable to meet classroom responsibilities **(see Article XVIII: Leaves, section C.)**.

Academic employees are responsible to notify their supervising dean and the Human Resources Office at 793-2008 before an absence from a scheduled class or shift of work, if possible.

Full-time faculty leaving the college mid-day due to illness or injury must notify their supervising dean and call the Human Resources Office at 793-2008.

Academic employees will pass on necessary information to the students via Canvas if possible and applicable.

The academic employee must notify the H.R. office each day of absence, unless there was a mutual agreement and pre-approval to do otherwise, such as a pre-arranged absence for surgery.

Any absence from work requires a completed leave request through the Employee Self-Service function in PeopleSoft. Leave requests must be completed within twenty-four (24) hours after a return to campus. Pre-planned absences will require a completed leave request and a Class Coverage form. Absences that exceed three (3) days of work or that are the result of hospitalization may require additional paperwork to be completed. Academic employees should contact the Human Resources Office for direction. Sick leave may be taken in less than full-day (8 hours) increments based upon the percentage of scheduled assignments missed. Personal leave may only be taken in two-hour increments.

APPENDIX E: Faculty Guidelines for Suspended Operations – February 19, 2019

The purpose of these guidelines is to provide clarity between AP 4130 Suspended Operations and Article XVIII, Leaves of the Faculty Negotiated Agreement.

In the event of an emergency situation adversely affecting college operations, public health, or the well-being and safety of students, faculty, or staff, the college president or designee may declare a temporary closure of any or all units of the college.

Late Starts & Early Closures

When a determination has been made that a late start or early closure of classes and/or college operations is necessary Faculty (Full-time, Part-time/Associate) scheduled but not required to work during a late start or an early closure will have no loss in pay for all late starts or early closures.

Suspended Operations

When a determination has been made that all operations on campus must be suspended and the campus closed to students, visitors, co-located partners, and all faculty and staff, with the exception of those noted as “designated responders”, Faculty (Full-time, Part-Time/Associate) will have no loss of pay for the first full day of suspended operations.

Full-time Faculty:

In the event that suspended operations continue for a second, consecutive day, full-time Faculty shall choose one of the following options:

- Personal Leave (Article XVIII, Section H, Personal Leave)
- Conditional Leave (Article XVIII Section I, Conditional Leave and Article II Section K, Conditional Leave)
- Work completed at home upon approval of the VP of Learning & Student Success or designee
- Other work as agreed to between the dean and the faculty member

Part-time/Associate Faculty:

In the event that suspended operations continue for a second, consecutive day, Part-time/Associate Faculty teaching online courses will continue to teach regularly scheduled online courses during suspended operations.

Part-time/Associate Faculty teaching hybrid or face-to-face courses will need to make up lost instruction time or work with their dean to convert face-to-face instruction to an online format. Teaching contracts may be amended in the event the lost instruction time could not be converted or made up.

Loss of Instruction:

Faculty members are encouraged to exercise flexibility with students when students face circumstances beyond their control such as a weather-related campus closure. Faculty may consider using technology, when appropriate, to help students benefit from alternate instructional activities.

Some courses may require the class time be made-up at another time. Faculty (Full-time, Part-time/Associate) are responsible to provide the time necessary to assist students in making-up missed class time and are expected to work with their dean to determine if the cancelled class/lab/clinical or other educational activity will need to be made up prior to the end of the quarter.

Questions, Answers, and Examples

Q: Do I have to use Leave for Late Starts and Early Closures?

A: NO. Anytime the College has either a Late Start or Early Closure, the employee will receive no loss in pay.

Example: There is a 10am Late Start and the faculty member has a class scheduled from 8:30am - 10am and another class scheduled from 3pm - 4:30 pm. The faculty member's 8:30-10am class would be cancelled, the employee would receive no loss in pay for the cancelled class and they would be expected to teach the 3pm - 4:30pm class.

Q: What if I decide [NOT A DESIGNATED RESPONDER] to work during a Late Start or Early Closure?

A: You are not entitled to additional compensation if you decide [NOT A DESIGNATED RESPONDER] to work during a Late Start or Early Closure.

Example: There is a 12pm Early Closure. Between 2pm - 5pm, the faculty member decides to grade papers. The faculty member would not receive any additional compensation for working during the Early Closure.

Q: What if I didn't have classes on the 1st full day of Suspended Operations but I did have classes on the 2nd full day of Suspended Operations, does the College's 2nd day count as MY 1st day?

A: NO. The timeline for Suspended Operations starts for every employee based upon the 1st full day of Suspended Operations.

Example: During the 2nd full day of Suspended Operations, the faculty member would have to select which type of Leave to use for the day.

Q: Can I worked at home during Suspended Operations?

A: YES. If you worked from home during Suspended Operations, please notify your dean via email. No Leave will be deducted from your leave balance.

Q: Do I have to take leave for the 2nd full day of Suspended Operations if my program requires me to make up the lost instruction time?

A: NO. Work with your dean to determine when the instruction time will be made up.

Q: Do I have to work from home during Suspended Operations?

A: NO. If your program does not allow for conversion to an online format or you are not interested in working from home, you may take leave as allowed in the Negotiated Agreement.

Q. I am Part-time/Associate Faculty. Do I have to make up lost instruction time due to Suspended Operations?

A. YES. Instruction time lost after the first day of Suspended Operations must be made up. Work with your dean to determine when and how the instruction time will be made up. If, it is not possible up make up the lost instruction time or the faculty member is not interested in making up the lost instruction time, then the teaching contract may be amended.

APPENDIX F: Regular & Substantive Interaction

Below is the definition/information developed by the Regular & Substantive Interaction (R&SI) committee last summer and is included in the R&SI training that online faculty are required to complete.

Members of the R&SI Committee were Steve Close, Dawnne Ernette, Ryan Duvall, Tyler Wallace, Jim Hamm, Zach Welhouse, Tim Fuhrman, Kathleen Duvall, and Daneen Berry-Guerin.

The Department of Education (ED) requires regular and substantive interaction in online courses to qualify for federal financial aid funds to be used to pay for the class.

In plain terms, regular and substantive interaction is a way of showing that you're communicating with your students. Regular, substantive interaction isn't a one-way communication like a broadcast tower to a TV or a lecturer to a passive receiver. Instead, it's a loop:

1. The student says or does something related to course material;
2. You respond, furthering the student's knowledge.
3. The cycle continues.

Let's break down the terms. The links provide further examples and clarification:

Interaction is personalized, individualized response to student input, either through unique, spontaneous messages, or pre-formed responses which anticipate possible student input.

Regular interaction is frequent and predictable in occurrence. It is built into the structure and design of the course.

Substantive interaction is interaction between the students and the instructor as it pertains to the academic subject matter of the course.

The parties agree to add an Advising Co-Lead and Advising Model Experts for 2022-23.

Advising Co-Lead – This position coordinates with the Advising Coordinator co-leading the research, evaluation, and implementation of advising best practices ensuring development and refinement of advising practices and guidelines. The Advising Co-Lead will receive a stipend of \$5,120 per year – July 1 through June 30.

Advising Model Experts (AME) – AMEs support the development and implementation of advising best practices as determined by the advising co-lead, advising coordinator, and advising workgroup. AMEs will receive a stipend of \$1,000 for the academic year. Total stipends for Advising AMEs shall not to exceed seven (7) stipends per academic year nor exceed one (1) stipend per division.

The Advising Co-Lead will work with the Advising Coordinator and Advising Workgroup to work on improving and developing advising practices and guidelines. This includes a specific list of faculty advisor duties and resources.

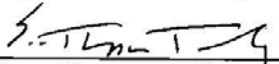

The College is committed to balancing advising loads between full-time faculty members. The supervising dean/director will make faculty advising assignments ensuring a balance of assignments across the faculty. Faculty teaching within Workforce Education programs may carry higher advising loads within their department based upon enrollment in their programs. The supervising dean/director will review and update advising assignments prior to the start of Fall Quarter and prior to the start of Winter Quarter. These assignment lists will be provided to the advising coordinator and advising co-lead.

The Advising Workgroup will continue to develop new advising training and tools and refine existing advising training and tools. The Advising Workgroup will be responsible to develop training topics for each in-service during the 2022-23 academic year.

Counselors would continue with their current regular 173-day contract and would receive a supplemental contract for up to fifteen (15) days that would be worked between the end of Spring Quarter 2023 and Fall Quarter 2023. These days would be primarily for Summer Quarter 2023 work. All days will be at the discretion of the counselors and will be mutually agreed to by the counselors and their supervising dean.

This Memorandum of Understanding (MOU) will expire on June 30, 2023.

MEMORANDUM OF UNDERSTANDING Instructor Teaching Load Modalities

Big Bend Community College (BBCC) and the Big Bend Community College (BBCC) Faculty Association agree to implement the following to address concerns raised during 2022 negotiations pertaining to Article XII: Instructor Loads, Section A.5. This MOU is in effect for the period of July 1, 2022 through June 30, 2024.

The parties recognize the changing nature of the COVID-19 pandemic and the effect of the pandemic on enrollment. The parties agree that the regular presence of full-time faculty on-campus supports student success and a vibrant campus community.

For 2022-2023: Class schedules and instruction modalities for the 2022-23 academic year have been determined and are listed in the college's annual schedule. Instruction is provided in the following modalities, face-to-face (traditional), hybrid, or online.

Faculty may request to change 1/3 of their quarterly teaching load from a face-to-face (traditional) or hybrid course to an online course. No modality changes for Fall Quarter 2022 will be granted as students are already registering for these courses based on the published modality. Requests for modality changes for Winter Quarter 2023 and Spring Quarter 2023 must be submitted in writing by close of business on Friday, September 30, 2022 to the supervising dean/director with a copy sent to the HR Office and the VP of Learning & Student Success.

Written requests for modality changes must include the reason for the request and address each of the following:

- a. Anticipated benefits to the students, program, department, and the college.
- b. Interactions required between the faculty member and their students and any other related employees and the impact of the requested modality change on those interactions. Please share how these interactions will take place if the request is approved.
- c. The number of online courses already scheduled for quarter within the educational program/department.

When reviewing requests for modality changes, the college may consider the number of full-time faculty within the affected instructional program/department that have requested to work remotely. Departments that have a single full-time faculty member may not be eligible for fully remote instruction unless there are sufficient current part-time faculty to cover the needed in-person courses.

Faculty do not need to request permission to move from face-to-face (traditional) or hybrid to remote for one (1) week or less due to disruptions related to COVID-19 including faculty isolation or quarantine, to care for someone who must isolate or quarantine, or otherwise stay home, or a significant number of students in the class must isolate or quarantine. If doing so, the faculty member must notify their students via Canvas and notify the supervising dean/director of the change via email with a copy to hroffice@bigbend.edu.

Notwithstanding a request to change course modality, courses that have a face-to-face (traditional) component must have a proportional amount of face-to-face (traditional) student or office hours.

For the 2023-2024 year: With considerations previously mentioned (total numbers of full-time faculty, working remotely, smaller departments, etc.), modality will be considered in relation to the yearly schedule. Faculty will be required to maintain a minimum of 1/3 of their total load in face-to-face (traditional) teaching. The annual schedule will be submitted by departments with consideration of college needs and the Dean reserves the right to adjust schedules according to the needs and desires of the college and student population. The request for individual faculty to teach quarterly loads which fall below the 1/3 expectation will not need to be requested in writing [outside of the annual schedule submission], if the yearly schedule of those faculty reflects an average 1/3 face-to-face (traditional) course modality.

The intent of this memorandum is to provide increased flexibility for faculty to teach in modalities that reflect the needs, desires, and trends of student enrollment, while simultaneously addressing the needs of individual faculty. The intent of this memorandum is not to decrease the overall faculty presence on campus, but to allow for faculty presence on campus to move from being considered in relation to the quarterly schedule to being considered in relation to the yearly schedule.

Faculty teaching within the eligible instructional programs listed below will receive additional compensation equal to the amounts described below via separate stipend. The additional compensation for full-time faculty teaching in the eligible instructional programs will be divided and dispersed in equal payments beginning with the October 10, 2022 pay check and ending on the June 25, 2023 pay check. Eligible instructional programs for High Demand additional compensation for the 2022-23 academic year include Accounting, Agriculture, Agriculture Mechanics, Automotive Technology, Aviation, Aviation Maintenance Technology, Business, Business Information Management (BIM), Commercial Driver's License, Computer Science, Early Childhood Education/Education, Economics, Industrial Systems Technology, Manufacturing, Mechatronics, Medical Assistant, Nursing Assistant Certified, Unmanned Aerial Systems (UAS), and Welding Technology.

Full-time and part-time faculty receiving additional salary funds or stipend payments under HB 2158 "solely to increase nurse educator salaries" are not eligible for stipend payments under this Memorandum of Understanding (MOU).

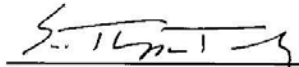

The parties agree to the following:

1. Current FT Faculty teaching in high demand instructional programs as defined in this MOU will receive an additional compensation amount of \$9,000.00. FT Faculty teaching classes in an eligible instructional program as defined in this MOU and another instructional program will receive an additional compensation amount proportional to their FTE teaching in the eligible instructional program.
2. Part-Time/Associate Faculty assigned and teaching classes in high demand instructional programs as defined in this MOU will receive a one-time payment based on the following levels of credits taught.
 - a. Teaching of more than 19.5 credits in the 2022-23 academic year - \$1,625.00.
 - b. Teaching of more than 7.5 credits or more and no more than 19.5 credits in the 2022-23 academic year - \$1,125.00.
 - c. Teaching of less than 7.5 credits in the 2022-23 academic year - \$625.00.
3. Stipend payments are not eligible for General Wage Increases (GWI) or Cost of Living Increases (COLA).
4. Additional compensation amounts are dependent upon the continuation of HB 2158. If the Legislature reduces the funding, the compensation amounts will be reduced proportionately to the funding reduction.

On or before May 1, 2023, the College will provide the BBCC Faculty Association with a spreadsheet that shows the individual payments per faculty member along with corresponding benefit costs. The Association and College will meet to bargain the remaining compensation amounts if there are funds that have not been expended.

The amount of funds negotiated and paid for High Demand salary and benefits will fully utilize (provided the parties recognize de minimis residual balances may occur) but will not exceed the available High Demand funds appropriated to the College annually.
