

**Big Bend Community College
Medical Assisting Program**

For Spring 2022, priority for enrollment in the Clinical Procedures Series (MA 111, MA 112, MA 113) will be given to those students closest to completion of the program requirements. This will ensure that all requirements are complete at the time of externship, so that program completers are ready to obtain licensure and certification.

Enrollment in MA 111 for Spring Quarter 2022 will be determined by total points (successful progress toward completion); once the class is filled, remaining students will be placed on a wait list.

FIRST STEP: If you are considering enrollment in the MA 111 class for Spring 2022, please submit this “letter of intent to enroll” to the Health Education Office (1700 building) no later than October 29, 2021 at noon. Your transcript will be evaluated and you will be notified of your enrollment status within a couple weeks. Your Letter of intent must be fully completed to be considered.
