BBCC Math Placement

HIGH SCHOOL CLASS

CIHS MATH& 142

Calculus
One or more semesters
(last semester grade used)

Passing Grade
A, B, C
D (passing) = STEP 3

Precalculus
Two Semesters
(2nd semester grade used)

A
B
C or D (passing) = STEP 2

Precalculus
One Semester
(1st semester grade used)

A or B

Algebra II or
Integrated Math III
Two Semesters
(2nd semester grade used)

A or B
C
D (passing) = STEP 2

Algebra II
One Semester
(1st semester grade used)

Integrated Math II
Two Semesters
(2nd semester grade used)

A or B
C
D (passing) = STEP 1

Algebra I or
Integrated Math I
Two Semesters
(2nd semester grade used)

A or B
C or D

Geometry
(use last Algebra I grade)

PASSING GRADE
CiHS MATH& 142

MATH & 151
or math in lower Step

MATH & 142 or MATH & 148
or math in lower Step

MATH & 141
or math in lower Step

MATH & 107, MATH & 146, MATH & 131, MATH & 132
or MATH 099

MATH 098 or MAP 119;
ELIGIBLE to take
MATH & 107 with JIT or
MATH & 146 with JIT

MATH 094 or MAP 117

Bridge to College
Financial Algebra
Consumer Finance
Applied Statistics
(2nd semester grade used)

A or B
C or D

CLASSES – Only use two most recent classes to determine placement
GRADES – Only use grades earned in the last two years

BBCC COURSE NUMBER & TITLE

MATH & 151 – Calculus I
MATH & 148 – Business Calculus
MATH & 142 – Precalculus II
MATH & 141 – Precalculus I
MATH & 146 – Statistics
MATH & 132 – Math for Elem Ed. 2
MATH & 131 – Math for Elem Ed. 1
MATH & 107 – Math in Society
MATH 099 – Intermediate Algebra II
MATH 098 – Intermediate Algebra I
MAP 119 – Applied Math for Workforce Education Programs II
MATH 094 – Intro to Algebra
MAP 117 – Applied Math for Workforce Education Programs I

JIT = Just-In-Time (Support Class)
