CRIMINAL JUSTICE (AAS)

NAME:

This is an example course sequence for students interested in earning a Criminal Justice degree. It does not represent a contract, nor does it guarantee course availability. If this advising map is followed as outlined, you will earn an Associate in Applied Science Degree.

The Criminal Justice Professional Technical Program is designed to develop proficiencies and skills necessary to obtain entry-level employment in Criminal Justice related career paths. Job possibilities after completing this degree include, but are not limited to, entry-level police officer, corrections officer in a prison or jail, or other criminal justice job that requires a 2-year degree or less. This program assists the development of skills that employers are looking for and was specifically designed not to teach specific police or corrections tactics but to give a well-rounded foundation to any criminal justice related career.

ENTRY REQUIREMENTS

- Complete Admissions and Placement processes
- Meet with Criminal Justice advisor prior to enrolling
