

BP 6111 ELECTRONIC AND INFORMATION TECHNOLOGY ACCESS (EITA) BP 6111

Big Bend Community College (BBCC) values diverse experiences and perspectives and strives to fully include everyone who engages with BBCC. Inaccessible electronic and information technology (EIT) negatively impacts all people, including those with disabilities. EITA means a person with a disability is afforded the opportunity to acquire the same information, engage in the same interactions, and use the same services as a person without a disability in an equally effective and integrated manner. BBCC is committed to providing access to all EIT that it develops, procures, or uses, such as college websites, learning management tools, student information systems, training materials, instructional materials, and assessment tools. Ensuring equal and effective EITA is the responsibility of all BBCC administrators, faculty, and staff.

BBCC makes its offerings accessible to individuals with disabilities in accordance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act as amended (ADA), the Washington Law Against Discrimination, and the Washington OCIO policy 188.
