5. Fail to report in a timely manner an actual or anticipated noncompliance with any policy of the Board.

EL – 10 Emergency Executive Succession

In order to protect the Board from the sudden loss of chief executive services, the President may not have fewer than two other executives familiar with Board and President issues and processes.

1000.3 GOVERNANCE PROCESS

GP – 1 Governance Commitment

The purpose of governance is that the Board, on behalf of the constituents of community college district # 18, ensures accountability of Big Bend Community College by assuring that it (a) achieves appropriate results for the appropriate recipients at an appropriate cost and (b) avoids unacceptable activities, conditions and decisions.

GP – 2 Governing Style

The board will govern with an emphasis on outward vision rather than an internal preoccupation, encouragement of diversity in viewpoints, strategic leadership more than administrative detail, clear distinction of board and chief executive roles, collective rather than individual decisions, future rather than past or present, and proactivity rather than reactivity.

The board will:

1. Deliberate in many voices, but govern in one.
2. Be responsible for excellence in governing and an initiator of policy.
3. Direct, control and inspire the organization through the careful establishment of broad written policies reflecting the board's values and perspectives. The board's major policy focus will be on the intended long-term impacts outside the operating organization, not on the administrative or programmatic means of attaining those effects.
4. Enforce upon itself whatever discipline is needed to govern with excellence. Discipline will apply to matters such as attendance, preparation for meetings, policy making principles, respect for roles, and ensuring the continuity of governance capability.
5. Monitor and discuss the board's process and performance periodically. Self-monitoring will include comparison of board activity and discipline to policies in the Governance Process and Board-Staff Linkage categories.
6. Continual board development will include, but not be limited to, orientation of new members in the board's governance process and periodic board discussion of process improvement.
7. Seek input from staff, students, alumni, employers and other community members on Board Policies.

GP – 3 Board Job Descriptions

1. The Board is the legal governing authority for the college. The Board establishes policy and delegates authority to the president to implement college policies.
2. A five-member working Board is essential. Each Board member must attend meetings regularly and actively take part in Board affairs. The Chair will ensure the Board follows this policy.
3. The Board carries out all powers and duties authorized by state law, including but not limited to the powers and duties described by RCW 28B.50.140.

The Board of Trustees:

1. Selects, on-boards, and regularly evaluates the President.
2. Monitors the performance of the College.
3. Establishes college policy and delegates responsibility and authority to the President to administer the college.
4. Serves as an advocate for the college with the general public and other levels of government.

5. Retains and performs the following duties:
 - a. Adoption of the annual operating and capital budgets.
 - b. Authorization of any sale or purchase of real property.
 - c. Grant or denial of tenure.
 - d. Approval of negotiated collective bargaining agreements.
 - e. Approval of professional leave.
 - f. Adoption, amendment, or revocation of rules under the Administrative Procedures Act, Chapter 34.05 RCW.
 - g. Naming of buildings and facilities.
 - h. Granting of honorary degrees.
 - i. Other matters as may from time to time be approved by the Board and set forth in a written policy.

The above does not restrict the Board from expressing its opinion on educational issues or matters of institutional welfare, including long-range planning.

GP – 4 Chair’s Role

The Chair assures the integrity of the board’s process and, secondarily, occasionally represents the board to outside parties. The Chair is the only board member authorized to speak for the board (beyond simply reporting board decisions), other than in rare and specifically authorized instances.

1. The job result of the Chair is that the board behaves consistent with its own rules and those legitimately imposed upon it from outside the organization.
 - A. Meeting content will focus on those issues which, according to board policy, clearly belong to the board to decide or examine, not the President.
 - B. Deliberation will be fair, open, and thorough, but also efficient, timely, orderly, and kept to the point.
2. The authority of the Chair consists of making decisions that fall within the topics covered by board policies on Governance Process and Board-Staff Linkage, except where the board specifically delegates portions of this authority to others.
 - A. The Chair is empowered to chair board meetings with all the commonly accepted power of that position (e.g., ruling, recognizing, agenda-setting).

- B. The Chair has no authority to make decisions about policies created by the board within Ends and Executive Limitations policy areas. Therefore, the Chair has no authority to supervise or direct the President.
- C. The Chair may represent the board to outside parties in announcing board-stated positions and in stating Chair decisions and interpretations within the area delegated to him or her.
- D. The Chair may delegate this authority, but remains accountable for its use.

3. In the absence of the Chair, the Vice Chair will assume the responsibilities of the Chair. In the absence of the Chair and Vice Chair, the members of the Board shall select a member to assume the responsibilities of the Chair during the continuance of the absences.

GP – 5 Board Members Code Of Ethics

The board commits itself and its members to ethical, businesslike, and lawful conduct. This includes proper use of authority and appropriate decorum when acting as board members.

- 1. Members must represent unconflicted loyalty to the interests of the community. This accountability supercedes any conflicting loyalty such as that to advocacy or interest groups and membership on other boards or staff. It also supercedes the personal interest of any board member acting as a consumer of the organization's services.
- 2. Members must avoid conflict of interest with respect to their fiduciary responsibility.
 - A. There must be no self-dealing or any conduct of private business or personal services between any board member and the organization except as procedurally controlled to assure openness, competitive opportunity and equal access to "inside" information.
 - B. When the board is to decide upon an issue, about which a member has an unavoidable conflict of interest, that member shall absent herself or himself without comment from not only the vote, but also from the deliberation.
 - C. Board members must not use their positions to obtain employment in the organization for themselves, family members or close associates. Should a member desire employment, he or she must first resign.

- D. Members will annually disclose their involvements with other organizations, with vendors, or any other associations which might produce a conflict.
3. Board members may not attempt to exercise individual authority over the organization except as explicitly set forth in board policies.
- A. Members' interaction with the President or with staff must recognize the lack of authority vested in individuals except when explicitly board-authorized.
 - B. Members' interaction with public, press or other entities must recognize the same limitation and the inability of any board member to speak for the board.
 - C. Members will give no consequence or voice to individual judgments of President or staff performance.
4. Members will respect the confidentiality appropriate to issues of a sensitive nature.

GP – 6 Cost Of Governance

Because poor governance costs more than learning to govern well, the board will invest in its governance capacity. Accordingly,

- 1. Board skills, methods, and supports will be sufficient to assure governing with excellence.
 - A. Training and retraining will be used liberally to orient new members and candidates for membership, as well as to maintain and increase existing member skills and understandings.
 - B. Outside monitoring assistance will be arranged so that the board can exercise confident control over organizational performance. This includes, but is not limited to, fiscal audit.
 - C. Outreach mechanisms will be used as needed to ensure the board's ability to listen to the viewpoints and values of the constituents of community college district #18.
- 2. Costs will be prudently incurred, though not at the expense of endangering the development and maintenance of superior capability.

GP – 7 Naming Of Facilities

The Board retains its right to name and rename college buildings and facilities as an appropriate honor to individuals and organizations for friendship, service and support of the college.

1. The Board will also approve the naming of buildings and facilities according to the wishes of a donor who has met the schedule of financial support for the various capital projects of the college. The schedule of naming opportunities will be set in Administrative Process AP1020.
2. The Board may also approve the naming of buildings and facilities in order to honor those who have rendered extraordinary service to the college or who, by their personal or professional achievements have significantly enhanced the reputation of the college. Honorees for extraordinary service may not be current employees, and may include those who have given extraordinary service to the college in a service or volunteer capacity such that their contributions are widely recognized by the community and their peers.

It shall be the responsibility of the Big Bend Community College Board of Trustees to establish policy and to evaluate the success of the college operation. The Board of Trustees shall employ a President for Big Bend Community College and hold such president responsible for the interpretation of board policy into administrative action and for the administration of the college in general.

Specific policies and their administrative interpretation shall be described in detail in the several sections of the Board Policy Manual. [see Board Resolution 2003-1 and BP1004]

1000.4 BOARD-STAFF LINKAGE

BSL - 1 Chief Executive Role

The President, as chief executive officer, is accountable to the board acting as a body. The board will instruct the President through written policies, delegating to him or her interpretation and implementation of those policies, as per Board Resolution 2003-1 and BP1004.

BSL - 2 Delegation To The President

All board authority delegated to the operating organization is delegated through the President, so that all authority and accountability of the operating delegation – as far as the board is concerned – is considered to be the authority and accountability of the President.

1. The board will direct the President to achieve specified results, for specific recipients, at a specified worth through the establishment of *Ends* polices.

The board will limit the latitude the President may exercise in practices, methods, conduct and other “means” to the ends through establishment of *Executive Limitations* policies.

2. As long as the President uses any *reasonable interpretation* of the board’s *Ends* and *Executive Limitations* policies, the President is authorized to establish all further policies, make all decisions, take all actions, establish all practices and develop all activities.
3. The board may change its *Ends* and *Executive Limitations* policies, thereby shifting the boundary between board and President domains. By so doing, the board changes the latitude of choice given to the President. But so long as any particular delegation is in place, the board and its members will respect and support the President’s choices.
4. Only decisions of the board acting as a body are binding upon the President.
 - A. Decisions or instructions of individual board members are not binding on the President except in rare instances when the board has specifically given prior authorization for such exercise of authority.
 - B. In the case of board members requesting information or assistance without board authorization, the President can refuse such requests that require – in his/her judgment – a material amount of staff time or funds or is disruptive.

BSL – 3 President’s Job Description

As the board’s single official link to the operating organization, the President’s performance will be considered to be synonymous with organizational performance as a total.

Consequently, the President’s job contributions can be stated as performance in only two areas:

1. Organizational accomplishment of the provisions of board policies on *Ends*.
2. Organization operation within the boundaries of prudence and ethics established in board policies on *Executive Limitations*.

BSL – 4 Monitoring Presidential Performance

Monitoring executive performance is synonymous with monitoring organizational performance against board policies on *Ends* and *Executive Limitations*.

1. The purpose of monitoring is simply to determine the degree to which board policies are being fulfilled. Information which does not do this will

not be considered to be monitoring. Monitoring will be as automatic as possible, using a minimum of board time so that meetings can be used to create the future rather than to review the past.

2. A given policy may be monitored in one or more of three ways:
 - A. Internal report: Disclosure of compliance information to the board from the President, or his/her designee.
 - B. External report: Discovery of compliance information by a disinterested, external auditor, inspector or judge who is selected by and reports directly to the board. Such reports must assess executive performance only against policies of the board, not those of the external party unless the board has previously indicated that party's opinion to be the standard.
 - C. Direct board inspection: Discovery of compliance information by a board member or the board as a whole. This is a board inspection of documents, activities or circumstances directed by the board which allows a "prudent person" test of policy compliance.
3. Upon the choice of the board any policy can be monitored by any method at any time. For regular monitoring, however, each *Ends* and *Executive Limitations* policy will be classified by the board according to frequency and method.
 - A. Annual Internal Reports for policies on:
 - EL-2 Respect for Students
 - EL-3 Respect for Community Members
 - EL-4 Respect for Employees
 - EL-7 Financial Planning
 - EL-9 Communication and Support to the Board
 - EL-10 Emergency Executive Succession
 - B. Annual External Reports or direct Board inspection for policies on:
 - EL-1 General Executive Constraint
 - EL-6 Asset Protection
 - EL-8 Financial Condition and Activity
 - C. Quarterly Internal Reports on Actual Budget
 - D. Annual Internal Reports for all *Ends* policies contained in:
 - Academic Master Plan Reports
 - Mission Fulfillment
 - Excellence in Teaching & Learning
 - Community Engagement
 - Budget Presentations
4. Each June the board will conduct a formal evaluation of the President. This evaluation will focus on the monitoring data on *Ends* and *Executive*

Limitations policies provided during the intervening year. However, the board's evaluation may also include pre-determined criteria based on the board's expectations of the President's performance so long as such criteria have been specified one year in advance of the evaluation.

- A. A tool to be used in the evaluation of the president is a focus group of community leaders from across the college district, to discuss college accomplishment of board End's statements. Prior to the conduct of the focus group the board will discuss and select any specific questions they wish introduced to the focus group dialogue directly related to the president's job description and/or Executive Limitations in addition to those based on the End's statements.
- B. The board will discuss the Academic Master Plan report results, Executive Limitations information and focus group conversations with the president in executive session.
- C. The results of the evaluation will be reported in open meeting with any necessary action to occur at that open meeting.
