BUSINESS

BUSINESS – TRANSFER (DTA/MRP)

Students entering BBCC may prepare for direct entry into a career or complete the first two years of a four-year college program before transferring. These suggested programs of study are available at BBCC. The suggested outlines are to be used as guides only. Each student is strongly encouraged to consult a department faculty advisor for assistance to develop an individual program of study. Students planning to transfer to four-year colleges or universities should consult the current catalog of the institution to which they intend to transfer and develop a program in consultation with a faculty advisor and/or college counselor.

Business students choosing to transfer with an Associate in Business – Direct Transfer Agreement/Major Related Programs (DTA/MRP) degree should consult program outlines published by the college or university to which they intend to transfer and maintain continuous communication with both their BBCC and university representative.

ENTRY REQUIREMENTS

- Complete Admissions and Placement processes
- Meet with Business advisor prior to enrolling
