

BIG BEND COMMUNITY COLLEGE

Bachelor in Applied Science APPLIED MANAGEMENT

The Bachelor's in Applied Management (BAS-AM) degree builds upon your existing associate degree by adding junior and senior year courses focusing on applied management. The program provides customized high-demand management skills courses geared toward the needs of various industry sectors in the local economy.

Perfect for working adults who need more flexibility in their schedules and have a job or family responsibilities. Classes can be taken 100% online. Students will gain the knowledge and skills necessary to enter, advance in the field of management or supervisory positions, or start their own business in almost every business and industry. The BAS degree includes courses in:

*Accounting Project Management Human Resources
Organizational Behavior and Leadership Marketing Business communication*

Students will complete an Applied Management Capstone project in year two of the program. The project is an opportunity for students to develop a meaningful product as an accumulation of the course work and a demonstration of their learning.
