

YOU'RE INVITED

To Experience the New SOLBERG® 3% MIL-SPEC SFFF
at Big Bend Community College

**Norbe Puroll, Liza Pitts and Mark Siem to Speak on Fluorine-Free Training
Experiences at Big Bend Community College**

Perimeter Solutions will host its next demonstration and training session featuring its newest fluorine-free foam concentrate, SOLBERG® 3% MIL-SPEC SFFF on **April 23, 2025, at Big Bend Community College.**

Location:

Big Bend Community College
7662 Chanute Street NE
Moses Lake, WA 98837

The session will include one hour of classroom instruction followed by two hours of live burn fire extinguishment, using E111 fuel as the ignition source. **Perimeter Solutions** will demonstrate how to properly use **SOLBERG 3% MIL-SPEC SFFF** fluorine-free foam.

Agenda:

April 23, 2025
12:00 pm – Lunch & Registration
12:30 pm – 3:00 pm – Program

TRAIN WITH THE FIRST FLUORINE-FREE FOAM CONCENTRATE ON THE DoD QPL!

SOLBERG® 3% MIL-SPEC SFFF is the first fluorine-free foam concentrate to be added to the Department of Defense Qualified Products List (QPL). It is also the first on the QPL to be GreenScreen Certified Silver®, meaning there are zero intentionally added PFAS and that it meets Clean Production Action's firefighting foam standard requirements.

Airports and military bases around the country are quickly making the transition to SOLBERG 3% MIL-SPEC SFFF.

Airport fire safety personnel are encouraged to attend these free training sessions, but **space is limited!**

To reserve your spot, **RSVP** to **Liza Pitts** at Perimeter Solutions, by emailing liza.pitts@perimeter-solutions.com or calling **951-662-4227**.
