CRIMINAL JUSTICE – TRANSFER (AA&S DTA)

NAME:

This is an example course sequence for students interested in earning a Criminal Justice degree. It does not represent a contract, nor does it guarantee course availability. If this advising map is followed as outlined, you will earn an Associate in Arts & Sciences Direct Transfer Agreement Degree.

The Criminal Justice Associate in Arts & Science DTA degree is designed to prepare students with the academic fundamentals needed to transfer to four-year universities. This program assists the development of skills that employers are looking for and was specifically designed not to teach specific police or corrections tactics but to give a well-rounded foundation to any criminal justice related career. Since programs differ at each college, students should consider program outlines published by the college or university where the student plans to continue his/her course of study.
