Lab Hrs: 22

Other Hrs:

Distribution Designation: General Elective (GE)

COURSE DESCRIPTION (as it will appear in the catalog)

This course is intended for students taking the CompTIA Server+ certification exam. Students will have materials, support, and practice exams provided to facilitate their preparation.

PREREQUISITES

CS 205 and CS 206 or instructor permission

TEXTBOOK GUIDELINES

Textbook and materials to be determined by CS Faculty

COURSE LEARNING OUTCOMES

Upon successful completion of the course, students should be able to demonstrate the following knowledge or skills:

1. Apply the knowledge and skills learned from the prerequisite courses
2. Pass the CompTIA Server+ (or industry equivalent) certification tests

INSTITUTIONAL OUTCOMES

COURSE CONTENT OUTLINE

1. Study and prepare for CompTIA Server+ (or industry equivalent) certification tests
2. Attempt the CompTIA Server + (or industry equivalent) certification tests
3. Pass the CompTIA Server + (or industry equivalent) certification tests

DEPARTMENTAL GUIDELINES (optional)

A+ certification requires two exams for certification. Students who attempt the certification exams and earn 60% or more of the points will earn credit in the course. Successfully meeting the CompTIA A+ scoring requirement (~80%) will result in earning the certification. Scores between 60 and 100% will be graded using the standard BBCC grading policies and grade points.
