A shortage of long-haul drivers prompted the creation of Big Bend Community College's Commercial Truck Driving Program. This 4-6 week course provides classroom and/or online study and 160 hours of driving instruction and experience. The course prepares students for the CDL written and driving (skills) test.

Classes cover a variety of professional topics and prepare students for entry-level job opportunities. Classes include Class A license with no air brake restrictions and endorsements for doubles and triples, tankers and hazardous material, defensive driving techniques, brake adjustment, equipment inspection, DOT e-log books, trip planning, and other job-related topics. Class space is limited and early registration is strongly recommended.

COURSE NUMBER AND DESCRIPTION:

CDL 100 – Commercial Drivers License (CDL) - Class A – Level II

Class is held Monday through Friday, 7:30 a.m. to 4:00 p.m. and enrollment is limited to no more than six (6) students.

This course prepares the student to pass all necessary tests to acquire the CDL Class A license with no air brake restrictions and endorsement for doubles and triples, tankers and hazardous material.

The CDL instructor is certified by the state and enrollment is limited to not more than six (6) students. All students are tested by a 3rd Party Certified Examiner (not an employee of the college).

Upon successful completion of the course, the student will be able to conduct pre-trip and post-trip inspections, demonstrate safe and proper coupling and uncoupling, demonstrate proper logbook entries according to regulations, demonstrate proper shifting, braking and maneuvering techniques, demonstrate proper and safe backing procedures, and demonstrate safe defensive driving techniques. The student will also be able to read, write and solve mathematical problems in the context of the duties of a professional truck driver, such as reading and creating accurate logbooks, completing bills of lading, and communicating effectively with coworkers and employers. This is a 4-6 week course based on type of course provided at time.

COSTS: Fees include registration, tuition; lab fees (including materials, books and the cost of the driver's examination test); and drug and alcohol test (contracted testing service.)

*Fees and tuition are subject to change.

Amount Due prior to the start of class: \$ 5,246.26

(Tuition subject to change in Fall quarter)

	1965 27' Utility Dry Van Trailer

COVERALLS AND GLOVES REQUIRED

Some of the duties of a truck driver are to perform inspections, some maintenance, coupling and uncoupling, and brake checks and adjustments. To accomplish these duties the driver has to crawl under and around the truck and trailer and therefore comes in contact with quantities of dirt and grease. In order to keep the students everyday clothes clean and thereby keep their private owned vehicles and our truck interiors clean, we at the BBCC Commercial Driver's Licensing Program require each student to have a pair of coveralls and a pair of gloves to wear while working on the equipment.

INSURANCE

All registered students taking six or more credit hours per quarter are eligible to enroll in the Student Injury and Sickness Insurance Plan sponsored by Washington State Community Colleges. Information on this plan will be submitted during the first week of class and will be paid as part of your lab fees.
