

BIG BEND COMMUNITY COLLEGE

THE ARTS, EDUCATION & HUMAN SERVICES

EARLY CHILDHOOD EDUCATION (AAS-T)

This is an example course sequence for students interested in earning an Early Childhood Education degree. It does not represent a contract, nor does it guarantee course availability. If this advising map is followed as outlined, you will earn an Associate in Applied Science Transfer Degree.

The Early Childhood Education (ECE) program prepares individuals to work with children ages birth to eight as lead preschool teachers, child care or preschool assistant teachers, in-home child care providers, Para-educators in public schools, or child care center administrators.

This degree pathway leads to an Associate in Applied Science Transfer (AAS-T) Degree that will transfer to Eastern Washington University's Education program, where students will complete a Bachelor of Arts in Education (BAE) with P-3 Teaching Certification. **In addition to completing the AAS-T degree, students must also complete the West B Exam prior to acceptance into the ECE program at EWU.**

ENTRY REQUIREMENTS

- Complete Admissions and Placement processes
- Meet with ECE Coordinator/Advisor prior to enrolling

Students must pass both a Washington State Patrol and Washington State Department of Children, Youth, and Families background check prior to program entrance. Students are also required to complete a Tuberculin skin test, provide results, and acquire Washington Education Association liability insurance, prior to enrolling in ECED& 120-Practicum

**Big Bend Community College
WORKFORCE EDUCATION PROGRAM REQUIREMENTS**

Certificate of Achievement

Students working toward a Certificate of Achievement need to develop a program plan with the faculty advisor in their Workforce Education area of interest. The plan must include all related instruction components. The Certificate of Achievement is designed to provide recognition for the student who has not completed an Associate in Applied Science degree program.

Certificate of Accomplishment

Students working toward a Certificate of Accomplishment need to develop a program plan with the faculty advisor in their Workforce Education area of interest. The Certificate of Achievement is designed to provide recognition for the student who does not complete a Certificate of Achievement or an Associate in Applied Science degree program.

Changes or substitutions for course work in the college catalog must be listed and approved by the advisor. It is essential that students meet quarterly with their advisor before registration to review progress and plan their program.

Each program plan must be approved by the Workforce Education program advisor and Dean of Workforce Education. Certificates will be issued out of the Dean of Workforce Education Instructional Services office.
