PRE-ELEMENTARY EDUCATION (CWU) – AA&S DTA

This education plan is intended for transfer students interested in applying to the Elementary Education program at Central Washington University. It provides students the greatest flexibility for curricular exploration, while ensuring that they earn junior standing relative to university breadth requirements (aka GenEd, UCORE, etc.), which is reflected in the DTA (Direct Transfer Agreement) annotation of this degree. This plan has been vetted by the Elementary Education advising staff at CWU to ensure students are eligible to APPLY for admission into the Elementary Education program. Please note that this advising plan DOES NOT guarantee admission into the university major. CWU will determine entrance into their own program based on individual applicant criteria and on a competitive basis. Students pursuing an Elementary Education degree will also need to complete a minor.
