BIG BEND COMMUNITY COLLEGE

THE ARTS, EDUCATION & HUMAN SERVICES

HOMELAND SECURITY EMERGENCY MANAGEMENT (AAS-T)

This is an example course sequence for students interested in earning a Homeland Security and Emergency Management (HSEM) degree. It does not represent a contract, nor does it guarantee course availability. If this advising map is followed as outlined, you will earn an Associate in Applied Science Transfer Degree. This program is directly designed for transfer into the HSEM Bachelors of Applied Science (BAS) degree at Pierce College. This degree is run through Pierce College.

The Homeland Security Management Program (HSEM) offers an opportunity for students to prepare for careers as emergency management managers and policy leaders, and to acquire the knowledge and skills needed to improve outcomes in a wide range of disaster situations. The curriculum provides policy foundations and advances students through core competencies in hazard identification; risk and vulnerability assessment; planning; terrorism; mitigation, preparedness, response and recovery; and planning for diverse populations. The AAS-T in Homeland Security Emergency Management degree will develop the students' competencies to prepare for and respond to all hazard environments, and includes an understanding of socioeconomic and cultural diversity issues.

ENTRY REQUIREMENTS

☐ Complete Admissions and Placement processes   ☐ Meet with HSEM advisor prior to enrolling

DEGREE REQUIREMENTS
