

## International Transcript Evaluation

In order to accept credit from foreign institutions, Big Bend Community College (BBCC) requires that students submit transcripts to a NACES certified international transcript evaluation service for a **course by course evaluation**. There are several such companies available, with varied requirements and fees. These companies have the contacts and qualifications to accurately evaluate different educational system credits and provide BBCC with credit equivalencies.

Some of the companies that offer this service are:

- **Academic Credentials Evaluation Institute, Inc.**
