

DISCLOSURE (Related to DOE Regulations Section 668.43(a)(5)(v))

Successful completion of the Medical Assisting program at Big Bend Community College meets the MA licensure eligibility requirements for Washington state.

Many states have no licensure requirements for Medical Assisting; therefore, Big Bend Community College has not made a determination whether successful completion of the Medical Assisting program at Big Bend Community College will meet the requirements for other states. Students who anticipate licensing or employment outside of Washington state are encouraged to seek information from that state.
