INDUSTRY, MANUFACTURING & TRADES

MANUFACTURING & PROCESS TECHNOLOGY (AAS-T) – MISSION CRITICAL OPERATIONS EMPHASIS

The Manufacturing and Process Technology degree provides students a broad range of career and academic options. The emphasis in MISSION CRITICAL OPERATIONS provides for direct entry into the workforce in areas such as facility management and select maintenance operations.

As students make progress toward the completion of the Associate of Applied Science – Transfer degree (AAS-T) they may also earn a certificate, which is recognized by local industry of incorporating the fundamental skills and knowledge needed for in entry-level positions. The AAS-T degree also provides students the option of transferring to Eastern Washington University to pursue a Bachelor of Science programs in Manufacturing Technology or a Bachelor of Science in Applied Technology.

ENTRY REQUIREMENTS CREDENTIAL REQUIREMENTS

- Complete Admissions and Testing processes
- Meet with an advisor prior to enrolling

WORKFORCE EDUCATION PROGRAM REQUIREMENTS

Certificate of Achievement

Students working toward a Certificate of Achievement need to develop a program plan with the faculty advisor in their Workforce Education area of interest. The plan must include all related instruction components. The Certificate of Achievement is designed to provide recognition for the student who has not completed an Associate in Applied Science degree program.

Certificate of Accomplishment

Students working toward a Certificate of Accomplishment need to develop a program plan with the faculty advisor in their Workforce Education area of interest. The Certificate of Achievement is designed to provide recognition for the student who does not complete a Certificate of Achievement or an Associate in Applied Science degree program.

Changes or substitutions for course work in the college catalog must be listed and approved by the advisor. It is essential that students meet quarterly with their advisor before registration to review progress and plan their program.

Each program plan must be approved by the Workforce Education program advisor and Dean of Workforce Education. Certificates will be issued out of the Dean of Workforce Education Instructional Services office.
