

# BIG BEND COMMUNITY COLLEGE

## HEALTHCARE

### NURSING – ASSOCIATE (DTA/MRP)

HEALTHCARE

This is a course sequence for students accepted into Big Bend Community College’s Associate in Nursing DTA/MRP program.

If this advising map is followed as outlined, you will earn an Associate in Nursing Direct Transfer Agreement/Major Related Programs (DTA/MRP) degree. Successful completion of the DTA/MRP program prepares students to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN), as well as for entry into a Bachelor of Science in Nursing completion degree (RN to BSN). Successful completion of the examination and subsequent licensure allows the student to enter the workforce as a Registered Nurse.

Applications are evaluated using a scoring system based on GPA (for pre- and co-requisite courses), completion of co-requisite courses, scores on the TEAS assessment test, related healthcare work experience, and Washington State NA-C licensure (no substitutions such as MA-C).

### ENTRY REQUIREMENTS

- Complete Admissions processes
- Undergo a comprehensive background check
- Provide verification of personal accident insurance
- Purchase annual liability insurance (will be included in tuition and fees)

AFTER ACCEPTANCE, you will be expected to:

- Pay a \$250 deposit by the deadline in your acceptance letter
- Participate in a mandatory three day orientation the first week of September
- Provide documentation of required immunizations and current Healthcare Provider CPR or BLS training

### DEGREE REQUIREMENTS

#### Pre-Requisites (25 Credits)

- |  |   |
|--|---|
| <input type="checkbox"/> BIOL& 160 – General Biology (5) | <input type="checkbox"/> CHEM& 121 – Intro to Chemistry (5) |
| <input type="checkbox"/> BIOL& 241 – Human A&P I (5)     | <input type="checkbox"/> ENGL& 101 – Composition I (5)      |
| <input type="checkbox"/> BIOL& 242 – Human A&P II (5)    |   |
