

BIG BEND COMMUNITY COLLEGE

THE ARTS, EDUCATION & HUMAN SERVICES

PSYCHOLOGY (AA&S DTA)

This is an example course sequence for students interested pursuing a Psychology degree. It does not represent a contract, nor does it guarantee course availability. If this advising map is followed as outlined, you will earn an Associate in Arts & Sciences DTA Degree. This degree pathway prepares students to further studies in Eastern Washington University's Addiction Studies program.

This pathway is designed to prepare students with the academic fundamentals needed to transfer to four-year universities. Students interested in psychology as a career usually spend several years beyond their bachelor's degree in graduate training to prepare them for roles such as psychotherapists, teachers of psychology, researchers, or industrial psychologists. Since programs differ at each college, students should consider program outlines published by the college or university where the student plans to continue his/her course of study. Course selection can be made based on the field of psychology that interests students most.

ENTRY REQUIREMENTS

- Complete Admissions and Placement processes Meet with Psychology advisor prior to enrolling
- If you have concerns about your background or personal history, please speak with a Psychology advisor before starting this pathway.
