

# BIG BEND COMMUNITY COLLEGE

## THE ARTS, EDUCATION & HUMAN SERVICES

### PSYCHOLOGY (AA&S DTA)

This is an example course sequence for students interested pursuing a Psychology degree. It does not represent a contract, nor does it guarantee course availability. If this advising map is followed as outlined, you will earn an Associate in Arts & Sciences DTA Degree. Course selection can be made based on the field of psychology that interests students most.

This pathway is designed to prepare students with the academic fundamentals needed to transfer to four-year universities. Students interested in psychology as a career usually spend several years beyond their bachelor's degree in graduate training to prepare them for roles such as psychotherapists, teachers

of psychology, researchers, or industrial psychologists. Since programs differ at each college, students should consider program outlines published by the college or university where the student plans to continue his/her course of study

### ENTRY REQUIREMENTS

- Complete Admissions and Testing processes
  - Meet with Psychology advisor prior to enrolling
- If you have concerns about your background or personal history, please speak with a psychology advisor before starting this pathway.
