Future Education Opportunities

The AA&S DTA represents the broad knowledge generally acquired in the first two years of a four-year program leading to a Bachelor of Arts degree. When students earn the AA&S DTA as lined out here for Social Work at EWU, they may transfer to EWU and apply to the Bachelor of Social Work (BASW) program with all prerequisites met.

Career Outlook

Completion of the Associate of Arts & Sciences degree (BBCC) and the BASW (EWU) prepares students to engage in social work practices, working as professional social workers or case managers.
