Financial Aid Recipients Who Register Before December 10:

Financial aid will be automatically applied to tuition and fees if you have a finalized financial aid award prior to Dec. 10. If you do not have a finalized financial aid award by Dec. 10 or do not receive enough to cover full tuition and fees you must pay the amount due or sign up for STEPP prior to Dec. 10.

Failure to Pay Tuition and Fees When Due Will Result In Cancellation of Registration.

Your registration appointment is for registration only.

Running Start Students

Running Start students must obtain a signed Running Start Enrollment Verification Form from their high school each quarter. This form, or tuition payment, and any lab fees must be submitted to BBCC by the tuition due date (Dec. 10) or registration will be cancelled. Please see the tuition section for more information about Running Start student fees.

Documentation must be provided each year to the Admissions/Registration Office. Documentation must be submitted no later than the fifth day of the quarter to receive the waiver for that quarter. Course lab fees are not eligible to be waived through this policy.

Senior Citizens Tuition Rate

Are you age 60 or older? You may register for two state-supported courses per quarter at a rate of \$10.00 per course, plus any fees, on a space available basis. (Community Education and Washington On-line classes (section WAO) do not qualify for the reduced rate.) Registration on a space available basis will begin on Monday, Jan. 4 at 2:00 p.m. If you choose to enroll in more than two courses in a quarter you will be required to pay normal tuition and fees for the additional courses.

State Employees Tuition Waiver

Permanent classified employees of Washington State and BBCC employees who are employed half time or more may be eligible for a tuition waiver. BBCC will award five waivers this quarter to non-BBCC employees that qualify. State employees should contact the BBCC Admissions/Registration Office for an eligibility form. Your personnel office must sign these forms. Completed forms will be accepted in the Admissions/Registration Office beginning Nov. 2 at 7:30 a.m. Tuition waivers will be awarded on a first-come, first-served basis. If you receive this tuition waiver you will register on a space available basis on Monday,

“Eligible” Veterans or National Guard Members Waiver

An eligible veteran or National Guard member is defined as one who is:

- Washington domiciliary;
- active or reserve member of military or naval or National Guard called to active duty;
- served in active federal duty under either Title 10 or Title 32 of the US Code in a war or conflict fought on foreign soil or in international waters, or served in support of those that were;
- if discharged, has received an honorable discharge.

BBCC will waive 25% of tuition for eligible veterans or National Guard members. A copy of a DD214 or current military records must be submitted to the Veteran's Coordinator or Admissions/Registration Office.

“Other” Veterans

BBCC will waive 25% of tuition for other military or naval veterans who do not qualify as eligible because they did not serve on foreign soil or international waters, nor did they support those that did. The State Board for Community and Technical Colleges has reviewed this waiver and determined that this does not include National Guard members. A copy of a DD214 or current military records must be submitted to the Veteran's Coordinator or Admissions/Registration Office.

Veterans’ Families

Substitute Senate Bill 5002 (2007), modifying RCW 28B.15.621, provides a tuition waiver of all tuition and fees for certain children and spouses of eligible (see above) military personnel who were killed or totally disabled while engaged in active military service, or who are determined by the federal government to be a prisoner of war or missing in action. A child must be a Washington resident for tuition purposes between the age of seventeen and twenty-six to be eligible for the waiver. Upon turning 27 years of age, the child becomes ineligible for the waiver. A surviving spouse must be a Washington resident for tuition purposes and has ten years from the date of the death, total disability, or federal determination of prisoner of war or missing in action status of the eligible veteran or National Guard member to receive the benefit. Upon remarriage, the surviving spouse becomes ineligible for the waiver. Documentation must be submitted to the Veteran's Coordinator.

Refunds

Failure to attend classes does not constitute withdrawal. If you leave BBCC without completing the withdrawal procedures you will receive a failing grade in all courses in which you were registered and will forfeit any right to refund of fees. If you are requested to withdraw for disciplinary reasons or delinquent attendance you will not be eligible for refunds. Refunds are made on the following basis for classes that meet the entire quarter:

Prior to Jan. 4.....	100% refund
Jan. 4 through Jan. 10	80% refund
Jan. 11 through Jan. 17.....	50% refund
Jan. 18 through Jan. 22.....	40% refund
After Jan. 22.....	No refund

Refund amounts are unofficial until verified and processed by college personnel. Students using the STEPP plan may have outstanding balances which are

not reflected on the class schedule statement. STEPP plan students must pay amounts owing, after any applicable refunds are posted, by the due dates stated in their contract.

Please allow two weeks from the date of your drop for refund processing. Financial Aid refunds may not be processed until after the third week of the quarter. Courses that begin after the start of the regular quarter may have different refund dates.

Financial Aid

If you hope to receive financial aid for winter quarter and have not completed the forms you should do so as soon as possible. The priority date for winter quarter was Nov. 2, 2015. A completed file consists of all documents necessary to complete a need's analysis to determine eligibility. Questions should be directed to personnel in the Financial Aid Office, 1st floor, Bldg. 1400, or telephone 509.793.2034.

Veterans/Selected Reserve Educational Assistance Programs

If you expect to receive educational benefits paid by the Department of Veterans Affairs you must contact the Veterans Coordinator after registering for classes. The Veterans Coordinator is located in the Financial Aid Office, 1st floor, Bldg. 1400. You must be enrolled in an approved program and certified before the VA will make payment.

Waitlists

You will be given the option to put your name on a waitlist when you attempt to register for a full class. You will not be able to add your name to a waitlist until your assigned registration access time. **If you put your name on a waitlist, you will be automatically registered for the class if a space becomes available.** Because you are automatically registered, it is important that you remove your name from waitlists of classes you no longer want. You should check your schedule daily to find out if you have been registered for a waitlisted class; you may not receive notification of changes to your schedule. You may only add your name to a waitlist for one section of a course and may not be on a waitlist for a course in which you have registered. For example, if you register in an 8:00 a.m. section of ENGL& 101, then you may not be on a waitlist for a different section of ENGL& 101. Waitlists do not guarantee that seats will become open in a class.

How does the waitlist process work?

1. Once a class becomes full, a waitlist is automatically opened for classes which have approved waitlists. Prior to adding your name to a waitlist, you should first check to see if other sections of the course are open.
2. Once you are added to a waitlist, it is your responsibility to track the waitlist status. Check the Student Kiosk daily to see if your position on the waitlist changes and to remove yourself from waitlists for classes you no longer want. This is done by going to www.bigbend.edu, select "Student Kiosk" and then "Waitlist Inquiry/Update".
3. If you are number 1 on the waitlist and a student drops that class you will be automatically registered into the class. The waitlist process runs at approximately 7:30 a.m. and 3:00 p.m. each day.
4. Once the tuition due date has passed, you will have two business days following registration into a class from the waitlist to make payment. It is your responsibility to monitor your class schedule status and pay any additional fees. You are also responsible for making sure your schedule is accurate by dropping any unwanted classes.
5. Waitlists are active through the Friday prior to the first day of the quarter. If you are number 1 through 5 on the waitlist you should either attend the first class session or meet with the instructor prior to the first class session.
