Computer Science
 Systems Administration
 Software and Web Development
Agriculture

INDUSTRY/MANUFACTURING/TRADES

Accounting
Agriculture
Automotive Technology
Aviation Maintenance
Business Information Management
 Administrative Professional Services
 Medical Office & Billing Support Services
Commercial Driver's License #
Commercial Pilot
Computer Science
 Systems Administration
 Software and Web Development
Criminal Justice
Early Childhood Education
Homeland Security/Emergency Management
Industrial Systems
 Industrial Electricity
 Mechanical Maintenance
Unmanned Aerial Systems
Welding
 Pipe
 Structural
 Production

*DTA – Direct Transfer Agreement
MRP – Major Ready Pathway

HEALTHCARE

Associate in Pre-Nursing – DTA/MRP*
Medical Assistant
Medical Simulation
Nursing – Registered Nurse ADN
 Practical Nurse #
 Nursing Assistant #

STEM

Associate in Computer Science DTA/MRP*
Associate in Science Transfer
 Biology
 Chemistry
 Engineering
 Physics/Computer Science
Associate in Science Pre-Engineering MRP*
 Electrical/Computer
 Mechanical/Civil/Aeronautical/Industrial/
 Materials Science
Computer Science
 Software and Web Development
 Systems Administration
Medical Simulation
Unmanned Aerial Systems

THE ARTS, EDUCATION, HUMAN SERVICES

Associate in Arts and Science DTA*
Criminal Justice
Early Childhood Education
Homeland Security Emergency Management
Associate in General Studies

CERTIFICATES

- Certificate program

Short term certificates, taking 1 quarter to a year to complete, are available in many of the areas above. Please speak to an advisor for more information about our certificates and degrees.
