## Path: Gateway / Faculty Center

The Faculty Center application, as seen below, is the focal point of faculty activity in ctclink. From this screen, you can go to different pages that give additional information about the area of interest. Shown below are the main areas of the page and how they are utilized:

The navigation area on the left side of the page includes **My Schedule** with links to the **Class Roster** page, the **Grade Roster** page, and the faculty **Contract Info** page. You can get further information about these pages in the separate PDFs provided for each link.
